FOREIGN CURRENCY COLLECTION

In 2027 the UK Scout Association will host the 44th World Scout Conference in London. This event acts as a Governing Body, setting the strategic direction for Scouting for the forthcoming years. There is real power in bringing people together in person and we'd like to welcome delegates from 176 National Scout Organisations to London in 2027. By having more diverse voices at conference, we can grow a stronger future for World Scouting. The Scouts have partnered with an

organisation to convert left over currency into GBP, which can then be used to support those delegates who might need financial support to attend and this is where we need your help..... Can you look in your old travel wallets and drawers and dig out any old foreign currency that would otherwise be gathering dust? It could be put it to good use! We can accept notes and coins of all denominations, even those that are out of circulation. For more information please see the poster at the back of Stoneleigh Church or contact Douglas Faulconbridge.

Film Night - December's film will be The Penguin Lessons

The Penguin Lessons is based on a true story from the memoir of Tom Michell, a British teacher who rescued an oil-covered penguin from a beach in Uruguay in the 1970s. He named the penguin Juan Salvador and smuggled it, across the border to Argentina, to his boarding school, where the bird became a popular and beloved figure among the students and staff. The story also touches upon the difficult political climate in Argentina during that time, which took place in Argentina in 1976. **Stars: Steve Coogan and Jonathan Price**

Friday December 5th, 2025 in Stoneleigh Village Hall

Meet 6.45pm for a 7pm showing. Please can you bring a cup and plate.

Coffee, tea and pastries will be served in the interval
