## A MESSAGE OF JOY AND HOPE

As we look ahead to Christmas, it's hard to believe how quickly the year has slipped away. The seasons have turned, the months have passed, and we now find ourselves on the doorstep of another festive season, perhaps wondering where the time has gone. In a year that has moved so swiftly, it becomes all the more important to seek and savour those small yet meaningful moments of happiness that bring light to our lives.

At the heart of the Christmas story is a powerful message of joy declared by the angels on a quiet night to shepherds keeping watch over their flocks: *"Do not be afraid. I bring you good news of great joy that will be for all the people."* It was joy that broke into the ordinary, transforming cold fields and humble lives with the wonder of God's love made flesh. That same joy is offered to us today: a joy that is not dependent on circumstance, but rooted in the truth that Christ is with us, our Emmanuel.

In the familiar hustle of December filled with gift-wrapping, planning, cooking, and gathering there is a quiet invitation to rediscover joy in the simple things. A candle's warm glow, the taste of a mince pie, a shared moment of laughter, or the peace of a still winter's night. These small blessings draw us closer to one another and to God.

Within the Hexagon, you'll find details of all our Christmas services across the benefice, from Christingles to Carols and our beloved Crib Service on Christmas Eve where this year you are invited to come dressed as shepherds or angels as we retell the Nativity story together. Everyone is warmly invited to any or all of our services. Whether you're visiting family, reconnecting with friends, or seeking peace after a long year, we hope you'll join us. Our churches will be filled with familiar carols, glowing candles, warm drinks, and of course mince pies!

As we turn the page into 2026, we also look forward to celebrating Epiphany the revelation of Christ to the world. On **Saturday 10th January**, St Mary's Walsham will host the much-loved **Epiphany Singers Concert**, followed by a special **Eucharist on Sunday 11th January at 11am**.

cont>

This treasured tradition brings our community together in song, worship, and shared joy as we begin the new year in praise.

May the joy proclaimed by the angels guide your steps this Christmas and into the year ahead and may you be blessed with many moments of joy this festive season.

Wishing you all a joyful Christmas and a blessed New Year.

Revd Catriona

## HEXAGON AVERTISING ORGANISER REQUIRED

We are seeking someone to take over this position as soon as possible. This would involve collating adverts from various organisations, businesses and local events; liaising with the advertisers with regards to size and cost; and, in conjunction with the editor, ensuring they are correctly printed in the magazine.

The Hexagon provides valuable communication between the parishes, the profits of which cover benefice expenses. Rev'd Catriona Brinkley has temporarily taken on this task until the position is filled.

## GRATEFUL THANKS

Judith Harlow has been organising the Advertising for the Hexagon magazine for the past 10 years, but has now decided to stand down.

We are extremely grateful to Judith for all her hard work which has ensured the Hexagon's publication has continued seamlessly during the tenure of several Rectors and COVID. Thus raising much need funds for the Benefice.

Thanks also to everyone who helps produce the magazine by either contributing items, printing, collating or delivering it around the parishes.

## CITIZENS ADVICE

**With it coming up to Christmas, I want to do more shopping online, but there's been things in the news about delivery problems. I'm worried about not receiving things on time or packages being lost. What should I do if my parcel goes missing?**

When you're online shopping, it's not always clear whom to contact if things go wrong. As a customer your contract is with the seller that you bought the item from. It's the seller's responsibility to make sure the item is delivered to you. They should chase the courier to find out what happened to your order if there's a problem.

If your parcel hasn't arrived:

- \*Check the delivery address you gave the seller, to make sure it's correct.
- \*Then contact the seller and ask where your order is.
- \*If the seller claims they've delivered it or doesn't know where it is, you can ask for a redelivery. You might be able to get a refund in some circumstances where the delivery time was essential, and you let the seller know ahead of time.

Under the Consumer Rights Act 2015, you can ask the seller to deliver the item to you again if the item wasn't delivered either by an agreed date, or within a reasonable time - usually within 30 days. If the new delivery fails to come within a reasonable time, you can ask the seller for a refund.

Another problem people face is when parcels get left in different places, for example outside or with a neighbour.

If your item was delivered by Royal Mail:

- \*And they left your package with a neighbour or in a certain place because you told them to, it's not the seller or Royal Mail's responsibility if it gets lost.
- \*If they leave it somewhere you hadn't instructed, it's the seller's responsibility if it gets lost. You should contact the seller to ask for a redelivery or a refund.

If the item was delivered by a courier:

- \*Check your terms and conditions or account details - they might include other places for delivery, like your porch or a neighbour's house. If you agreed to them, it's not the seller's or courier's responsibility if your order has gone missing. However, if you did not agree to this, then it's the seller's responsibility if your order goes missing.

If you ordered something from a private seller or you're still having trouble after trying the tips above, you can find out more via the Citizens Advice website at <https://www.citizensadvice.org.uk/consumer/>

Learning Folk Guitar for children year 2 and up.

Hi. My name is Ricky Wilkinson and I live in Westhorpe. Until lockdown I was teaching guitar in Guildhall Feoffment Primary School in Bury St Edmunds. I also run Phoenix Children's Folk Group based in Bury St Edmunds. Members learn to play and sing plugged in to our sound system for charities, festivals and various concerts.

In Folk Guitar children learn songs to sing accompanied by a variety of plucks and strums on guitar to enable them to perform solo or in a group. My Phoenix group performed all the music for Langham Church Carol Service last Christmas on 12<sup>th</sup> December 2021.

If you know a child who would like to learn to play guitar and sing so they can perform, please email me for further details. I can give private lessons in your home or if there are 6 or more wishing to learn I can use Westhorpe village hall at a suitable time after school which would be much cheaper than individual private lessons. I am DBS checked to teach guitar and run the Phoenix group. Parents are always welcome to stay and watch.

### *October: Heart of Suffolk, Gin Tasting.*

Members enjoyed a very interesting talk by the Heart of Suffolk Gin Distillery about the making of their products. We all learned a great deal about botanicals and the difference between London Dry Gin and Bathtub Gin! There was a tasting of Rosie's, Ivy's and Betty's Gin, all very different. Small batches mean much variety is possible and The Heart of Suffolk also make bespoke gin for several local venues soon to include a Bacchus variety for Wyken.

### *November: The Life of Leonard Cheshire VC.*

Members were delighted to welcome back Barbara McElroy to talk about Leonard Cheshire, husband of Sue Ryder (the subject of last year's talk). He graduated from Oxford in 1939 and went straight into the RAF. After surviving an incredible 4 tours of duty (100 missions) and receiving multiple decorations including the VC, he was chosen as one of the Observers on the plane that dropped the atomic bomb on Nagasaki.

When the war ended, he wanted to spend the rest of his life focusing on peace, he converted to Catholicism and set up a residential home for ex-servicemen. The first home was in a dilapidated rambling house where everyone was expected to pitch in and help. By the time he died in 1992 he had set up 270 homes in 23 countries.

## NOTES FROM THE GARDEN

Hello again.

December is sometimes called the limbo month of the gardening year, do not be fooled! Underground bulbs are striving to get up and go, check pots as some may have rotted, if so remove them. This is a great time to move dormant shrubs that you think are in the wrong spot, also the same can be done with perennial's, towards the end of December.

January is a good time to plant bare root rose plants, if the soil is not too wet or frozen. Now is the time to prune your fruit trees such as apple, pear, plum and cherry. Cut out branches that are crossing and rubbing each other, reduce height to enable easy picking also prune out some in the middle to let in more light. Climbing roses can also be cut back to stop them becoming straggly. Fortune favours the brave, so if your garden is still workable sow a few left over seeds, such as carrot, Swiss chard, and spinach beet. Although they will take longer to germinate and lay dormant, when the warmer weather arrives hopefully you will have a head starting the spring.

January is now the time to sow your chilies and aubergines. Sow in a fine compost either in a heated propagator, if you have one a 24hr LED propagator giving you the light which is required to help germination. If not then place on a warm windowsill in a covered seed tray. These methods can also be used for herbs and green leaf plants such as spinach, rocket and lettuce. By the time they are ready to pot on the weather should be warmer.

On the allotment continue to dig over your plots putting in compost as you do so, this will warm you up on a sunny winters day. The poly tunnel is providing a welcome assistant in winter months, kale, spinach, lettuce and Swiss chard and left over leeks are still going well. If a cold spell is forecast cover plants with a garden fleece to help protect them. Look around your garden and allotment, you will always find something to do to help in next year's harvest.

In-between these two months we have Christmas, time to relax and enjoy the produce you have grown. Pickled onions, home-made chutney, roasted beetroot, fresh leeks and kale, will complement your Christmas dinner. Put your feet up and browse through your seed catalogues, last year's diary planning and plotting in your new year's diary for the year ahead making notes of your progress and wondering what the new season will bring.

Have a very happy Christmas and a happy New Year.

Till next time Phillip Bennington

## CHRISTMAS BISCUITS

These biscuits can be hung as decorations

## INGREDIENTS

175g dark muscovado sugar, 85g golden syrup, 100g butter,  
3 tsp ground ginger, 1 tsp ground cinnamon,  
350g plain flour plus extra for dusting  
1 tsp bicarbonate of soda,  
1 egg lightly beaten  
To finish 100g white chocolate, edible silver balls

## METHOD

1. Heat the sugar, golden syrup and butter until melted. Mix the spices and flour in a large bowl. Dissolve the bicarbonate of soda in 1 tsp cold water. Make a well in the centre of the dry ingredients, add the melted sugar mix, egg and bicarbonate of soda. Mix well. At this stage the mix will be soft but will firm up on cooling.
2. Cover the surface of the biscuit mix with wrapping and leave to cool, then put in the fridge for at least 1 hr to become firm enough to roll out.
3. Heat oven to 190C/170C fan/gas 5. Turn the dough out onto a lightly floured surface and knead briefly. Cut the dough in half. Thinly roll out one half on a lightly floured surface. Cut into shapes with cutters, such as stars, trees and gingerbread men, then transfer to baking sheets, leaving a little room for them to spread. If you plan to hang the biscuits up, make a small hole in the top of each one using a skewer. Repeat with remaining dough.
4. Bake for 8-10 mins until they darken slightly. If the holes you have made have closed up, remake them while the biscuits are warm and soft using a skewer. Cool for a few mins on the baking sheets, then transfer to a wire rack to cool and harden up completely.
5. Break up the chocolate and melt in the microwave on medium for 1-2 mins, or in a small heatproof bowl over simmering water. Drizzle the chocolate over the biscuits, or pipe on shapes or names, then stick a few silver balls into the chocolate. If hung up on the tree, the biscuits will be edible for about a week, but will last a lot longer as decorations.

## UK CARE SECTOR

**Question - What is the 2 year rule for NHS dentistry?**

**Answer -** The NHS Dentist two-year rule means you should not wait more than two years between check-ups. If you don't see your NHS dentist within this time, you might lose your registration as an NHS patient.

**Question – What does a Community Matron do?**

**Answer -** An NHS community matron is a highly experienced, senior nurse who provides intensive, personalized care to patients with complex long-term conditions, helping them to manage their health at home and avoid hospital admissions. They act as case managers, coordinating with GPs, other health professionals, and social care to create care plans, monitor conditions, and provide advanced nursing interventions. There are approximately 2,000 Community Matrons in the UK. Refer to your local surgery for further information on local availability.

## Winter Safety Tip

### Hot Water Bottle Safety

As the weather gets colder, there are lots of advice and tips about. This one from the NHS. For a cozy and safe autumn, the NHS and safety experts recommend checking your hot water bottle for age and damage.

Before first use in Autumn and to avoid burns and leaks from degraded rubber, follow these steps before you start using your hot water bottle for the season.

- \* Check the expiration date. Hot water bottles should be replaced every two years, even if they look fine.
- \* Find the "daisy wheel". A date stamp, often shaped like a flower, is usually found on the neck or body of the bottle.
- \* The central number is the manufacturing year (e.g., '22' for 2022).
- \* The twelve segments represent the months. Filled segments indicate the month it was made.
- \* Inspect for wear and tear. Look for cracks, splits, discolouration, or brittle areas. Do not use the bottle if you notice any damage.
- \* Check for leaks. Fill the bottle with cool water, insert the stopper tightly, and turn it upside down to see if any water leaks out.

In addition, never use boiling water, and always use a protective cover.
