### **Tunbridge Wells Deanery**

For Rich Thomas, Area Dean, and all church congregations in the Deanery

Pray for all those affected by the recent lack of running clean water: for families, for homes, businesses, hospitals and many others and for all the ramifications caused by this.

We pray for all those who are finding life particularly hard during these winter months, for the chronically sick, the homeless and those who have to choose between warmth or food for their families; pray that they may be able to access the help they need and that we may be alert to any known to us.

Pray for the world situation, world leaders and the many countries where there is turmoil: Ukraine, Syria, Sudan, Iran, Israel/Palestine and so on. Maybe just choose one country to pray for this month.
