In the information sent with this form you will find a list of the fees charged at each of the churches. There is normally an additional charge for each of these additional elements of the day.

**ONCE YOU HAVE COMPLETED THIS FORM**

1. We will check the date, time and church and confirm that they are available. We will then write to confirm these details. **Please note that until you have received this confirmation there is no firm booking** – some of our churches are busy and used for a wide range of services and events. If we cannot meet your requested date, time or church we will do our best to find a convenient alternative.
2. You will meet with the Minister taking your wedding to plan the service, get to know one another better and during wedding preparation the Minister will help you explore what marriage means to you.
3. Normally 'banns' will be called on three Sundays over three months before you get married. You are encouraged to join us on these occasions if possible, when we will pray for you and the other couples preparing to get married. If you live outside the Benefice of Mid Marsh, banns will also need calling in the parish(es) in which you live, this is your responsibility to arrange.
