The art of good listening

Really good listening is a skill that takes all of us a significant amount of time to practice and develop. Good listening is often described as a form of art; and just as an artist will take many years to hone and refine their skills, the same can also be said for a good listener.

Jesus was a good listener.

The bible records relatively few words spoken by Jesus. Christ would often instead listen to people, discern the situation, and then share his wisdom.

It is often a challenge for us to become good listeners as we have to push back on our own needs, and instead, be present and in the moment to support the person who is talking to us. However, good listening is a wonderful skill and one that if we can grow and develop, will allow our own lives, and also the lives of the people around us to improve and flourish.

At the core, good listening requires us to be selfless; to put someone else's needs before our own.

Good listening means giving someone else our full attention, and we can all instinctively and immediately tell if someone is giving us that. There can be very obvious clues they there are not, such as if the other person is looking at their phone whilst we are trying to talk to them. There are other more subtle, but still identifiable clues, such as how the other person responds to us; typically, with single word answers which indicate that they are not really engaging with the conversation.

Another challenge that we have to navigate to become a good listener is the temptation to take over the conversation. The more we talk, the less we hear.

Sometimes it can be really hard to give another person our full attention and to be a good listener. We might have other things that we need to do, jobs to complete, places to go; we can all feel the stresses of time commitments and deadlines. However, being a good listener for someone who really needs to talk will almost certainly be our number one priority; other tasks can normally wait.

I have a personal rule where I try at all costs never to use the word 'busy' to describe how my day or week is going. When someone thinks a person is 'busy' they then almost apologise for requesting a small piece of your time.

Listening to people, supporting people, being there for people when they are in need, is far more

important than our day-to-day chores which we often mistakenly feel are essential and vital, when in fact they can often easily be delayed.

Life is always about priorities. Being a good listener to those around us is surely one of our top priorities.

Praised be Christ.

Latest news from our Sunday Club

2025 concluded with our much-loved Christmas Eve Crib service at Irstead. It was wonderful to welcome so many families and it was fantastic to have over 100 people in church getting into the Christmas spirit.

We had lots of fun singing carols and listening to the Christmas story. If you have not previously been before, do consider coming next Christmas, it is the perfect way to start the festivities.

Our Sunday Club meetings this term will focus on the miracles that Jesus performed. Last month we started our theme by thinking about how Jesus was able to turn water into wine.

A Very Happy New Year to you all. I hope that you had a good Christmas.

Over the holidays we had two joyful services. On Christmas Day the church was full, as normal, for the annual Nine Lessons and Carols. May I thank all the readers and the choir who contributed to make it such an enjoyable service.

The following Sunday we had our Benefice Thanksgiving Service when we lit the candles on the windowsills to give thanks for everything that had gone on in our churches over the last year.

May I finally thank all those who contributed so generously at the December coffee morning when we served our mince pies and coffee to everyone who supports our coffee mornings throughout the year.

The February coffee morning will be on Saturday 21st at our usual times of 10.00 until noon.

NVH Christmas Fair 2025

This enjoyable and busy event was well supported with lots of stalls provided by NVH user-groups. The stalls, cafe refreshments and Grand Draw raised a fantastic £1,824.53 for NVH funds. A big thankyou to all for being there as these funds make an important contribution to the running costs of the hall. A special thankyou to the Ukulele Band for their jolly festive entertainment.

Lantern Parade and Village Light Switch On

What a great turn out we had on Sunday 30th November. Over 50 children came with their families to the New Victory Hall to meet Santa, write their letters and decorate their lanterns, whilst being entertained by the Ukulele Band.

We did a count down with Santa to switch on the lights and then Santa led the procession to the White House Stores where the Ukulele Band carried on with festive songs. Lovely hot chocolate was provided by the shop, hot dogs were available at the pub, and the Regency Gift Shop was looking resplendent offering an opportunity for shopping. The Saddlery also kept us feeling warm with a fire pit and hot food, so we were very well looked after. Thank you to all The Street residents who put their lights up and joined in. The village centre looked very festive.

Thank you to all those who helped make the event happen. That's from publicity to marshals, helpers in the hall, Santa and music. **Save the date, 3.30pm Sunday 29th November 2026**, we look forward to seeing you all again.

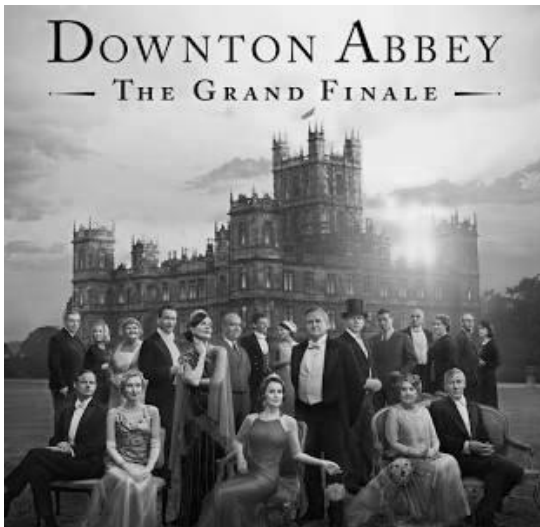

Happy 2026 from the Team who made it happen. Another year done and a busy 2026 coming up. Thank you.

White House Stores AGM Monday 2nd March 6.30pm

The shop is run by a community association (Three Villages Community Association Ltd) and is owned by members of the community who have signed up as shareholders.

The Association is holding an Annual Member's Meeting on Monday 2nd March at 6.30pm - 7pm at the New Victory Hall. If you are a member, it is important to attend. The members' resolutions are of obvious importance and unless we have a quorum nothing can be achieved at this important annual meeting. A quorum can only be achieved by sufficient members attending in person, not via a postal vote.

The agenda for the meeting will be on display at the White House Stores and will be emailed to members. Members have the option to lodge a postal vote in respect of agenda items requiring a vote rather than voting in person on Monday 2nd March. Your postal vote can be handed in at the shop to arrive by 5.30pm on Thursday 26th February.

Please note that only members of the Association can vote. You can join the Association by picking up a form at White House Stores and signing up as a shareholder. If you value your shop, please join in!

The Annual Member's Meeting has been scheduled just before the monthly Village Screen event, so please come along to enjoy the whole evening and support the Community Shop and Village Hall together in one night out!

Xmas Card Delivery

The 2024 Xmas Delivery cards enabled The Elves to buy the lanterns for our very well attended 2025 Lantern Parade and we have just had another very successful card delivery with donations of over £300, which hopefully will be put to great use for this year's children's Xmas Event.

Many thanks to all the Elves who not only deliver all your cards but also spent a lot of time sorting over 5 full boxes of cards into names, streets and villages.

Community Gym Gymninny's January Jaunt to John o'Groats

It's just over 1000km, using walking tracks and roads, from Neatishead to John o' Groats. That's a memorable distance and one that has provided Neatishead Community Gym with its first group challenge for 2026.

Readers will remember that the gym has a knitted mascot, Gymninny, who has previously undertaken virtual distance challenges to the Paris Olympics and the North Pole. The aim of such 'journeys' is two-fold. They have proved to be a fun group effort and conversation subject during gym sessions. Such challenges also encourage members to gently increase their use of distance gym equipment: the treadmills, bikes, rowing machines and cross trainer.

Gymninny's January Jaunt to John o'Groats is our new (alliterative) challenge. After members record their daily distances, the kilometres are totalled and Gymninny can advance along an A1 poster map from Neatishead to John o'Groats. With only ten January gym sessions available, can 1000km be achieved? There'll be more news in the next edition of the NIB but, as this edition goes to press in mid-January, Gymninny (helped by over 30 participating members) has so far totalled 650 km and is already in Scotland: see photo below!

The Nancy Oldfield Trust

With Christmas a distant but happy memory, staff and volunteers at The Nancy Oldfield Trust are busy getting the site and boats ready for the 2026 season. In 2025 we welcomed an amazing 5,678 disabled and disadvantaged visitors, who either visited us for a water-based activity or stayed with us in our onsite accommodation or at Berwick Cottage in East Harling. How incredible is that! Can we better that number in 2026?

One of the most significant pieces of work that needs to be carried out on site is to replace our quay heading and decking. Estimated to cost in the region of £50,000, fund raising efforts are well underway, but we've still got a long way to go. Can you help us reach our target or know someone who can?

If you'd like to find out more about the important work we do, please pop in and say 'Hello'. We are always happy to show people round and make new friends. We are busy taking bookings for 2026 so please do contact us if you or someone you know would benefit from an accessible trip on the beautiful Norfolk Broads.

Volunteering opportunity with Scouts

I am Clive Gritten, a parishioner here and Chairman of North East Norfolk District Scouts. I'm writing to Parish Councils, newspapers and online volunteering 'webpages' in our district inviting anyone to consider applying to join a Scout Association Board of Trustees locally please. We have thirteen Scout Groups here in NE Norfolk each with their own small Board of Trustees looking at safety and governance, helping alongside our uniformed leaders who are running activity programmes for children and young people to learn skills for life and citizenship.

Presently our waiting lists are extensive hereabouts because we don't have enough adult volunteers to maintain our duty of care ratios. Some groups are registered charities and others not as such, but all are run with charitable aims according to the Scout Association policy, organisation and rules alongside those of the Charity Commission and our Royal Charter.

Though we volunteer, as trustees we aren't mixing with the children regularly. As trustees, we endeavour to monitor and ensure their safety and wellbeing, and that of the leaders and the premises in which they all meet and undertake their many fun activities.

We are all registered with the government's Disclosure and Barring Service and are thoroughly supported with in-house learning opportunities. The Scout Association is now looking beyond its immediate membership to introduce people with worldly experiences to bring to local Scouting as chairpersons, treasurers and trustees. They may have been a Cub or Scout, Brownie or Guide themselves once and would like to return the enjoyment and adventure experienced back then, by joining a dedicated team of volunteers today perhaps?

I am contactable at scouterclive@gmail.com and truly look forward to hearing and talking with enquirers and explaining available support and training. I'd be most grateful if you'd pass this request amongst your own members and circulate within your own outlets too, please. I thank you on behalf of the children and young people enjoying Scouting in North East Norfolk.

We would like to thank the New Victory Hall for allowing us to have a stall at the Christmas Fayre back on 6th December. Just for an update the combined weight of the three bowls in the 'Guess the Weight of the Bowls' was 9lbs 8oz. The closest guess was 9lbs 5oz from Claire Penstone-Smith who won the Christmas hamper. Thank you to everyone who had a go or just stopped by for a chat, it was lovely to meet you all.

We are in need of new members so if you fancy learning to play or indeed re-kindling that passion for bowls please come along to our roll-ups on Saturday mornings or Wednesday evenings. We would love to see you. Please keep an eye out for further information in future NIBs or call Andrew on 07715 801309. Everyone welcome.

Sincere apologies for cancelling the meeting on January 8th but the weather was not too good for travelling!

Our meetings return to normal in February on the second and fourth Thursdays of each month from 10am to noon in the NVH. On Thursday 26th February the Ukelele Band, led by Mike Gower, are going to entertain us. There will be the usual cuppa and biscuit, raffle, bring and buy, plus good company at both meetings. Please join us, member or not, as visitors are always welcome! To find out more about the club please contact the Chairperson, Jean Barber on 01263 721698.

Wildlife Notes

The most exciting bird on Barton Broad during the past 2 months was a Slavonian Grebe which I was lucky enough to see on the 22nd December, albeit at a long distance. This species is one of the mid-sized grebes in that it is substantially smaller than a Great Crested Grebe but much larger than our familiar Little Grebe. In summer plumage it is a spectacular looking bird with red, black and yellow colouration but in its winter plumage it is much plainer being mainly black and white with a red coloured eye. Slavonian Grebes are known as Horned Grebes in North America as they raise their yellow head tufts in their display dance which involves a race across the surface of the water carrying beaks full of weed. There has been a small breeding population of these birds in the lochs of the Scottish Highlands since they first bred in the UK in 1910. Numbers peaked at around 80 pairs in 1980 but since the mid-1990s they have dropped to around 20 pairs in 2024. They spend the winter around the coast of the UK mostly along the south and east coasts but will move into inland waterways if the weather becomes too harsh for them on the estuaries or sea. Birds of Norfolk records them as scarce winter visitors with only a few recorded at inland sites each year. In March 1979 there were 4 to 5 on Hickling Broad and in March 1996 there were 3 on Horsey Mere but peak counts for Norfolk are generally around the area of the Wash.

Black Winged Kite: Jon Kelf

Around the same time as the Slavonian Grebe was discovered, a Black-winged Kite was found between St. Benet's and Ludham Bridge. I have written before about these rare visitors, which are only about the size of a Kestrel, when one turned up at Hickling and as I write this in mid-January, the Ludham bird has been re-sighted in the Hickling Horsey area. They seem to like the Broadland landscape and are rapidly spreading across Europe and are already nesting in France so this could easily be a new coloniser for Norfolk in the next 10 years.

Talking of kites, I have been seeing good numbers of their larger cousins, the Red Kite, this winter including some territorial behaviour at Irstead. It would not be a surprise if they nested locally this summer.

Siskin: Jon Kelf

Look out for Siskins on your feeders in February as this is the month when they are most commonly recorded in gardens.

NABS' excellent, recent productions (Pygmalion / Cabaret in 2024 and Cinderella and Blood Brothers in 2025) have set a high bar for our local, Neatishead-based theatre group.

For 2026, director Shelagh Smith has chosen a pioneering and challenging play for a female-only cast: Top Girls by Caryl Churchill. First performed in 1982 at the Royal Court, critics have named it 'the best British play from a woman writer.'

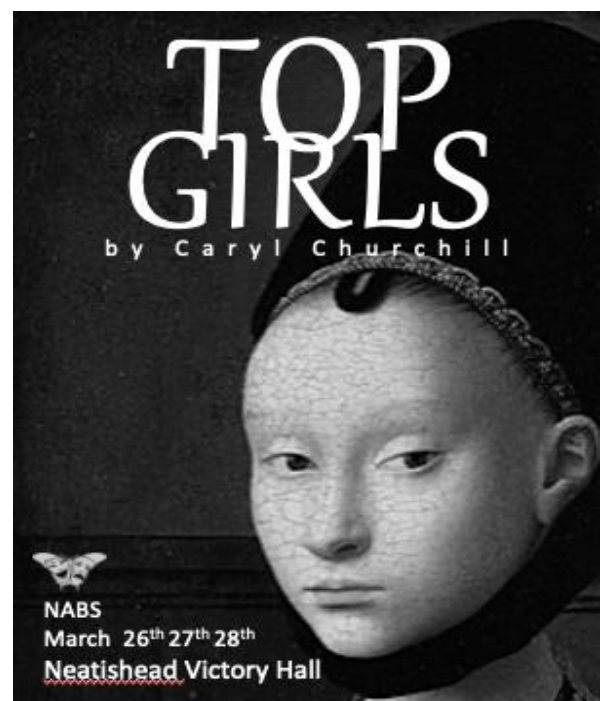

Now performed all over the world, 'Top Girls is one of the great plays of the 20th century, filled with big ideas, sharp wit and searing heart; it's very funny, and ultimately very moving.' (Kip Williams, artistic director, Sydney Theatre Company).

The title, Top Girls, refers to a women's employment agency and is set a few years into Margaret Thatcher's premiership. The play considers women entering a man's world, both historically and in the early 1980s and is full of fast and often overlapping dialogue.

Intrigued? Why not pencil in the performance dates in your diaries? There will be publicity photos and ticket sales information in the March edition.

Top Girls Performances: Neatishead New Victory Hall: Thursday 26th, Friday 27th and Saturday 28th March.

WHB Twinning Association

Our post-Christmas dinner took place on 24th January at the Hotel Wroxham and was greatly enjoyed again by 33 members; a delicious menu, warm welcome and great catch up with our twinning friends.

Our committee met on 14th January and have started to organise the visit of our French visitors from La Pommeraye and Montjean-sur-Loire, 9th-15th August 2026. They have requested a visit to Cromer, which we are very happy to do and hopefully the weather will be fine for them to enjoy this lovely seaside town.

A trip on the Broads has also been asked for, so we will be booking this as well as venues for our reception, games and picnic and dinner dance. Lots to keep us busy! A date for diaries also is Friday 24th July for pre-visit briefing and social evening.

In December the Book Club discussed "The Night Gate" by Peter May and in January "Impossible Creatures" by Katherine Rundell, chosen by Mal and Hilary. Wroxham and Hoveton Lions Club

A message from this year's Club President, Past District Governor Lion Dennis Moxon. This year Wroxham Hoveton. Lions Club reaches, not one, but two major milestones. The Club itself celebrates its 50th Anniversary, but 2025 is also the 25th Anniversary of the Lions Charity Shop, located in the Riverside Precinct in Hoveton.

Lions Clubs were started in Chicago in 1917, today it is the largest service organisation in the world with over 1.4 million members in 210 countries. In Britain there are some 600 clubs with 10,000 members, each club serving the individual need of its own community.

Wroxham and Hoveton Lions Club has covered the parishes of Wroxham, Hoveton, Horning, Salhouse, Rackheath, Horstead, Coltishall, Ashmanaugh, Tunstead and Neatishead.

Although primarily supporting local causes, additionally, through donations to the Lions Clubs International Foundation, the charity arm of Lions Clubs International, it has been able to contribute to the various overseas projects. Disaster Relief, Childhood Cancer Support, Diabetes Prevention, avoidable Blindness, Humanitarian and Hunger, prevention and young people. The Club has donated in excess of £1.65 million during its 50 years existence.

All Lions are ordinary men and women who give up their time voluntarily to help others. There are no paid executives, so every penny goes towards helping others.

The Club has 15 members, the main fund-raising activities include the annual Hoveton Village Charity Fete, Santa Sleigh, Mobile Tombola, Craft Fairs and the Charity Shop. An annual firework display was held on Cain Meadow in Wroxham.

In 2008 we held our first Charity Motor Show and Family Fun Day at Norwich Rugby Club. This grew rapidly and this resulted in its move to the Norfolk Showground, where it ran until 2016. It raised many thousands of pounds which were donated to the Air Ambulance and other charities. The annual Hoveton Village Charity Fete has now taken its place and continues to provide a fun day out for all the family.

One of the Club's most popular activities is the Santa Sleigh which, during December, visits the main villages in our area as well as supermarkets in Wroxham, Stalham and North Walsham.

The Charity Shop opened in 2000 and has been the main source of income. Selling a wide variety of items: ladies and men's clothes, shoes, books, DVDs, records, bric-a-brac and children's toys, we are grateful for the generosity of the local community in donating their unwanted items to us.

Hello instrumentalists and singers!

Do you, or did you, play an orchestral instrument?

Do you still have the instrument?

If so, are you interested in playing classical music occasionally just for pleasure?

Do you like madrigals? Would you be interested in singing madrigals occasionally?

How often we would meet will be up to those interested.

Let's explore what is possible!

Learn to read music

Would you like to learn to read music?

If you are interested in any of these suggestions I would love to hear from you.

Support has ranged from toys for a children's play group to the purchase in 2016, of the Sea Palling inshore lifeboat, which was named "Lion Ros Clipston", in memory of one of our late members.

The Club holds business meetings twice a month one face to face, the other via Zoom, but it is not all work or business. A social meeting is also held on the 3rd Tuesday, where members can relax, with games, quizzes etc. Lions work hard raising money, but have fun, doing it!

At our social meetings, activities include darts, indoor bowls, pétanque (depending in the weather) and quizzes. The Club is always on the look-out for new members, so if you have some spare time and would like to do something to help the local community, get in touch. visit our web site to make contact: www.wroxhamandhovetonlions.org.

Wroxham Bure Valley Rotary Club

We had a very successful Santa Christmas collection – a huge thank you to all those who generously supported us in Sprowston, Spixworth, Wroxham and Horning, and especially to Tesco in Stalham and all their generous customers. It was great too for Father Christmas to meet and chat to so many youngsters all keen to make sure he knew what they wanted from him for Christmas.

We don't quite yet have a final sum but we do know that the total collected was in excess of £3,000, and we will shortly be making donations to our main recipient charities: the East Anglian Air Ambulance and our own international Rotary Foundation charity. Our regular Monday evening meetings continue with outside visits, business meetings and a varied and interesting programme of speaker meetings, all at Wroxham Barns.

You can also support us and the many local and international charities we donate to, through the Broadland Council Lottery Scheme – go online at www.communityatheartlottery.com and sign up, selecting Wroxham Bure Valley Rotary Club as your chosen cause – or directly by visiting our page on the www.totalgiving.co.uk web site. If you fancy joining us for a vibrant, sociable, active and fun club experience, please contact our president, Chris Billing, on 07555171574.
