ST MARY'S OPEN CHURCH - CAN YOU HELP?

The Open Church team would be very grateful if anyone could provide cover in holiday periods and in times of illness.

This vital 'outreach' can only be provided with two people in attendance, which obviously means that if one of the team is ill we cannot open that day.

Thankfully this does not happen very often, but it would be great to know we have some backup

If you feel you could help, please have a word with Pam. Irene, Sheila or Dave.

Thank you

Christmas Social Night: A Joyful Evening of Fellowship

Our annual Christmas Social Night was a wonderful celebration of community, bringing together members of all ages for an evening filled with joy, laughter, and the true spirit of Christmas.

The hall was alive with festive music and cheerful conversation. There was also the ever popular tombola and raffle prizes. The evening also comprised of a variety of games for children, adults and seniors alike.

The sound of Christmas music added to the atmosphere, we were fortunate to have Gordon Kenny join us again providing well known songs with many singing along.

The evening included buffet food which was enjoyed by all.

The church social continues to be a fantastic event which brings people together in fellowship.

We are thankful to everyone who helped organise the evening and to all who attended.

Derian House Children's Hospice

Thank you to everyone who donated to this year's chosen Christmas charity, Derian House. We are sure our donation will go a little way to help them to continue their wonderful work. The total raised was £320.00.

Mothers' UNION

First of all, just a little catch up from December. We had been invited to take part in St Luke's Christmas Tree Festival, to decorate a tree and spread the word about Mother's Union. Each year MU has a Diocesan Christmas Appeal, in the past we've supported various worthwhile causes, most recently students at Hope University who for whatever reason cannot go home at this festive time of year. In 2025 we worked with Alder Hey Hospital in Liverpool and in particular with the Cancer Wards ; 1day ward, 1cancer ward and 1 Teenage Hub ward. They asked if we could help with decorations for the unit, their theme was Gingerbread and Candy Sticks in a red and white colour. So bags of decorations were collected, all new and boxed so that they were as germ free as possible. We were also able to provide a small gift bag of goodies for every member of staff on the department. Alder Hey were very grateful and sent photos of the decorated ward. So, I thought that we would replicate the theme for our Christmas Tree Festival and let people know about one of our MU Projects. A small group of us spent a lovely morning in December decorating our tree with donated baubles, lights, Candy Sticks, Gingerbread biscuits and crocheted Gingerbread People. It was a sight to behold when we had finished and we were able to leave it on display throughout the Christmas season, it received many compliments. Thanks to all who donated and decorated.

At the beginning of this year I thought it would be good to catch up with our local project, supporting HSP LEIGH (Helping Support People) based in Charles Street. Throughout 2025 they served over 12,000 meals , although not a night shelter they provide 2 meals a day Monday to Friday and during Winter months soup and sandwiches at the weekend. They also offer comfort, dignity and help when it's needed most, giving time and compassion and they have a willingness to care. Now they can offer access to vital health services, provide rooms that allow dignity, confidentiality and respect for outreach and support

workers to come and help the most vulnerable in our society. At Christmas 45 people enjoyed Christmas Dinner and everyone left with a shoebox of gifts and a selection box.

It is a continuous struggle to fund the project, they work closely with Wigan Council and some local businesses and companies provide generous donations and practical support. Recently The Florence Foundation awarded a grant of £9,380 to help towards food and running costs.

In December Chelsea from Leigh PCN provided a new service of carrying out height weight and blood pressure checks which will continue on a monthly basis as well as free flu jabs. Although our donations of toiletries, tins of soup, occasional sweet treats as

well as cakes for the staff appear to be a drop in the ocean, Lynn and Team always acknowledge our gifts and value our contributions. Here is the Team with their smart van.

LOCAL MISSIONAL OUTREACH AT ST. LUKE'S

Happy New Year to you from all of us at St. Luke's! Following on from an exciting time in December with the Advent Tree Festival, Wreath making, Carol service and hugely popular Crib service, we have something new and exciting for 2026.

Firstly, it's an exciting year for me personally as I look forward to my licensing as a Local Missional Lead for St. Luke's in February. This represents the culmination of months of prayer and discernment of God's call and direction for my lay ministry. It will be an additional role to my current role as a Reader and will initially take the form of leading a new mission-focused worshipping community at St. Luke's. Looking at fresh ways of sharing the message of God's love for everyone in a way that is accessible to the new generation of people exploring church.

The new worshipping community will be meeting as a Café Church based in St. Luke's. Initially this will be on a Saturday morning on the second weekend of the month. The worship will be focused around the sharing of a simple breakfast while exploring God's word through activities, a reading from the Bible, singing and a short message delivered on the theme. The plan is that it will be suitable for all ages and offer an alternative to our already popular "Worship for Everyone" on the fourth Sunday of each month.

Alongside me there is a team of lovely volunteers helping to deliver this vision. The volunteers come from a broad spectrum of the congregation and represent all ages. If you feel that God is calling you to be a part of this new venture, then I would love to hear from you to give you more information. In the meantime, would you please pray for me and my team as we step out in faith on this journey to which the Lord has called us.
