NORTH WALSHAM BENEFICE

**North Walsham, Edingthorpe,
Worstead and Westwick**

Seeking to weave faith, hope and love
throughout our community.

For centuries people have worshipped at
our four churches. They have come for
joyful and sad times, for baptisms
(christenings), weddings and funerals. They
have come for the major festivals of the
church at Easter and Christmas. They have
silently slipped in, prayed and slipped out
again during the course of a day. They have
gathered Sunday by Sunday to celebrate the
resurrection and the good news of Jesus
Christ. And we continue to do so today.
All are welcome. YOU are welcome.

Vicar Revd David Warner
Assistant Curate

Revd Dan Krawczyk

The long awaited work to replaster the west wall of the church will begin on 16th March. Access may be restricted for 3 weeks while this work is done. We apologise for any inconvenience caused during this period.

Please be advised there will not be a service on Sunday 22 March due to the works. We're grateful to the generosity of villagers who've enabled this work to be done - indeed we are grateful always to all who participate in our worshipping life and our fundraising, both as organisers and as participants and supporters. Thank you all!

After the wall we have started to formulate plans to improve the heating and lighting in the church to enhance it for generations to come!

We have lots of events coming up - the annual round and special things which come along: come and join us! We are here for you and yours, always. **Revd. David Warner**
