## From one of our Readers

---

The New Year brings opportunities and often a desire to do things differently.

Jesus did things differently. He applied spiritual teachings to everyday life and invited others to join him – working together was very important to him. He also saw how some of the laws written by hierarchical organisations were too rigid and prevented spontaneity in singing to God. Certain songs or psalms were meant to be sung at certain times or by certain people. Only people without illness or blemish were allowed to be in the choir at Jerusalem regardless of their voices.

Now I love singing but I have to admit that whether I always hit the right notes can be hit and miss depending on the day or the tune – but it doesn't stop me singing in joy when I am alone. I believe that God loves a cheerful singer as well as a cheerful sinner.

Which brings me to a possible way to bring people together in singing to God. There are hymns I absolutely love singing and some I find very difficult. That is fine in church when others know the tunes and the words, for I can enjoy listening to them, but when none or very few of us know them, it is a bit like going to a concert or a cathedral where only the choir is included in the praise.

Of course, now that there are 10 churches in our benefice, there are

potentially 10 different lists of hymns that people from each church know and enjoy. One hymn that only a few sing is fine so that we widen our repertoire, but it is difficult for whoever chooses the hymns to know each of the 10 favoured lists.

So how about contributing to a compilation of hymns and tunes known and loved in each church? And then when a tune is popular, different words could be applied, for example from the amazing book 'Known Unknowns' by John L. Bell & Graham Maule which is '100 contemporary texts to common tunes'. So, we can still have variety and newness.

It just needs a list in each church for people to add to, and someone to send the list to the service leaders – then we can come together more in joyfully singing to God. It goes without saying that it would help the musicians and the service leaders too!!

And don't forget to sing as you go about your daily life – God doesn't just listen in when we are in church!

*Christy Casley*

*And for those who speed on the highway – a few hymns:*

<i>55mph</i>	<i>God will take care of you</i>
<i>75mph</i>	<i>Nearer my God to thee</i>
<i>85mph</i>	<i>This world is not my home</i>
<i>95mph</i>	<i>Lord, I'm coming home</i>
<i>100mph</i>	<i>Precious memories.</i>

## Increased Subscriptions

Unfortunately, due to increased costs and the reduced circulation (as the magazine is only delivered to Galhampton, North Cadbury, South Cadbury and Yarlington), the decision has been taken to increase the price of *The Beacon* to £1 with an annual subscription of £10 for all 11 issues. The increased subscription will allow colour covers all year instead of just at Christmas and Easter.

You should have received the usual small envelope with this magazine. Please return this with your annual subscription to your deliverer or for those in North Cadbury, directly to the Parishes Office.

Rob Sage, Editor

## Advertising Rates

Also as a result of the increased costs of production, a decision has been taken to increase the price of advertising in *The Beacon*. If taken out for a year (11 issues), adverts will cost £40 for an eighth of a page; £80 for a quarter page; and £160

## United Benefice Service with Canon Michael Mitton

## Lent Book

### Recommendation

Wondering what to give up during Lent? Why not take up reading a short

piece of scripture and a reflection? I would like to suggest 'The Rainbow of Renewal': *Daily bible reflections for Lent and Easter* by Revd Canon Michael Mitton. Each section/week is linked to one of the colours of the rainbow, and to a relevant theme to do with the overall subject of renewal, with Easter Day uniting all the colours into the white light of resurrection morning.

## **Vale of Camelot Church - Podcast**

Our interim minister has set up a podcast for Vale of Camelot Churches - and the main talk each Sunday will be up loaded every week. The link to the podcast is:

As we welcome the spring term, there is a real sense of excitement and renewal across our school. After the quiet of winter, the return to classrooms has felt like a fresh beginning, echoing our Christian belief in hope, creation and new life. We are thankful for the opportunity to start anew, to grow together, and to continue living out our school strapline: **“to be the best we can be.”** The children have settled back into routines with enthusiasm, embracing each day as a gift and a chance to learn more about themselves, one another, and our wonderful world.

This term has already been enriched by a range of inspiring opportunities. Pupils have taken part in fascinating workshops exploring the brain and how it works, encouraging awe and wonder at the complexity of creation. Visits from farming experts have also brought learning to life, helping children to better understand where our food comes from and the

importance of caring for the land entrusted to us. These experiences have sparked curiosity, thoughtful discussion and a deep sense of gratitude for the skills and knowledge shared with us.

In the classrooms, learning is flourishing. Children are thoroughly enjoying their book studies of *The Butterfly Lion* by Michael Morpurgo, engaging deeply with its powerful themes of friendship, courage and compassion. Meanwhile, our Lower Key Stage 2 pupils are completely enthralled by their study of Ancient Egypt. Highlights have included exploring daily life along the Nile and creating their very own papyrus, bringing history vividly to life. As we journey through this spring term together, we give thanks for new beginnings, joyful learning and the chance for every child to grow in wisdom and confidence, truly striving to be the best we can be.

**“Let all that you do be done in love.”**

## From the Bishop

Our extended family recently got together for a celebration. We were nine adults from 24-68, one toddler, and one dog, and it was glorious! The joy was simply in being together, whatever our age.

I sometimes wonder what would happen in the life of our churches if we could adopt the same outlook there? Each generation glad that the other is there. Each generation contributing something to the whole. Each generation looking to the interests of the others, making sure there was something that spoke to the others even if not to them.

The writer of the Chronicles records something you could miss if you weren't looking for it. In 2 Chronicles 20, when Judah was facing attack from Ammon and Moab, King Jehoshaphat proclaimed a fast and summoned the people. This is what it says in verse 13:

"All Judah stood before the Lord, with their little ones, their wives, and their children."

At a time of great peril, when the king was seeking the LORD, all generations came together to pray.

We often think of intergenerational meaning us older ones passing on wisdom to the younger ones, and

that's certainly part of it. But a truly intergenerational family, which the church is, means all generations welcoming one another, valuing one another, learning from one another, and praying with and for one another. It's not a one-way thing.

## *Generations growing in faith together*

Our younger generations are ambassadors from the future, with wisdom to give us about their culture, and how to share the timeless truths of the gospel with their peers.

They are leaders and learners, just as we all are.

What might it look like across our diocese if we committed to making room for other generations? What might it look like if, like the people of God in ancient times, we came together in our year of especial focus on prayer - adults, young people, and little ones - and sought the power and wisdom of God together? I have a feeling we'd be surprised!

## **NORTH CADBURY & YARLINGTON PARISH COUNCIL (PC)**

Latest news and topics discussed at the PC meeting held in November 2025. Full minutes can be found on the parish website via the following link: <https://www.northcadbury.org.uk/meetings.php>

**Reports from Somerset Council (SC):** Councillor Henry Hobhouse reported as follows:

- A copy of Flood Mary's <https://floodmary.com/> directory of Property Flood Resilience Products would be given to each parish and can be downloaded via the following link: [Help and resources - Flood Mary](#)
- Phosphates – SC had informed Natural England that it was changing its policy and was awaiting a response. There would be a new phosphate policy from April/May 2026, after which there would be no cost implications for developers for phosphate mitigation. Henry advised that Origin 3, planning consultants for the proposed Brookhampton development, should be made aware so that any permissions could be considered after this date. He also considered that biodiversity net gain should be given to the parishes in which the houses are built.
- Budget – being drafted. SC had been 'pulled up' three times by the external auditors and had applied for assistance to make the budget work. There was the possibility of SC going into receivership in April 2026.

**Report from The Newt and Emily Estate:** The Chairman read out the following report on behalf of Zoe Young, Community Liaison Officer:

"We received planning permission for The Farmyard extension at Shatwell Yard, Yarlington and have begun enabling actions with the main works starting in March 2026. Confirmation that drainage work has been carried out at The Farmyard and that the foul smell reported at the last meeting has now been resolved."

**Wessex Internet:** Ben Heath, Regional Engagement Manager, was present to discuss the design proposals in place to connect approx. 200 houses in North Cadbury to full fibre broadband in autumn 2026. Full installation plans should be complete and submitted in Q1/26 with install in Q2/3/2026. Whereas before this install would be based on buy-in from prospective customers, owing to new funding this will happen without requiring specific customer buy-in. One community space in the village can have access for a minimal rent of approx. £1.50 a month. This community space is normally expected to be village hall, but a prime location can be determined by the PC. Further updates and events would be advertised through the PC newsletter and website. Residents can register their interest and be kept up to date with their progress via the following link [Wessex Internet | Order](#)

**Rights of Way (RoW):** The Chairman reported that last week some comments were raised by parishioners about Poacher Blocks that had been placed on several RoW across the Parishes, completely blocking some paths to both foot and horse users. These were placed to prevent “Off-roaders” in 4x4 vehicles destroying RoW. Following the comments raised, these Poacher Blocks have been adjusted to allow foot and horse users but still prevent vehicles.

No update from Eve Wynn with regards to the badger survey from Keir Construction on WN19/105 (Ridgeway Lane)

Please can all members of the parish continue to report any issues via the Explore Somerset website <https://roam.somerset.gov.uk/roam/map>.

**Strimmer Volunteers:** The Clerk reported that a volunteer had come forward and she had put them in touch with Ceri Rapsey, RoW Volunteer and Trails Officer.

**Light Pollution from North Cadbury Business Park:** The Clerk reported that she had received a response from Taylors Coaches regarding the PC’s request to assess their security lighting, which was left on permanently and not operated by PIR. With regards to the yard lighting, Taylors responded that they “have been here for three years and have not changed the position or strength of any of our lamps and have not received any complaints from residents in that time.” The Clerk, therefore, asked that those who reported the issue to the PC to contact Taylors Coaches directly and copy in the Clerk.

**A303 Exit to Yarlington:** Cllr Viney reported that she had received several requests from residents to ask if the signage warning of the approaching exit off the A303 for Yarlington could be improved to provide the warning more in advance. Cllr Hobhouse agreed to discuss this request with Josh Hill, Highways England.

## **INTERVIEW -**

### **Learning from each other**

*Angeline White, Reader, Christ Church, Weston-super-Mare, draws on her master's degree research to share what can be learned about all ages and stages growing and learning together in faith.*

#### **Why worship together across the ages?**

Intergenerational worship is different generations learning from each other. When Jesus called people to follow him, he called people from different backgrounds, people who didn't naturally fit together. Learning alongside someone who is different to us is part of learning to grow as a disciple.

#### **What is lost when generations worship separately?**

In the 20<sup>th</sup> century, churches began to separate children and older people, young adults and parents. When you do that, something important is lost. You don't get that richness of faith, of discipleship, of mentoring, of learning from others.

#### **What do the different generations learn by worshipping together?**

It's easy to be a Christian with people who are like us. The real challenge is

whether we can grow and whether the church be united as a true body of Christ across all ages, and cultures. In this environment, children ask questions, they grow and develop their faith. Adults also learn from children's honesty. Our faith is shaped by the whole community.

#### **How can worship include all the generations equally?**

It is challenging. It takes time, thought and effort. It doesn't necessarily mean massive change. Think creatively about how you do things. Make and say things in a way that includes everybody, not just children, but also adults who learn in different ways and new people coming to church who don't yet understand the faith.

#### **How do you include young people without being patronising?**

Give people of all ages meaningful roles and give them some freedom to shape it. Offer training. At my church we have a young teenager who works on our AV team with people older than himself. He's using his skills and his gifts, but he's been trained like everybody on the team.

#### **Does intergenerational worship help support faith formation?**

Worshipping together allows children get to see their parents worshipping, and parents to see their children worshipping. Everyone is involved in everything in the church. Even when groups separate for teaching shared themes encourage conversations that continue long after the service has finished.

## Yorkshire Pudding Day – 1<sup>st</sup> February 2026

Yorkshire Pudding Day, celebrated on the first Sunday of February, is a moment dedicated to one of the most iconic staples of British cuisine: the Yorkshire pudding. This annual observance honours a dish that has been part of the national culinary identity for centuries, cherished for its versatility, simplicity, and comforting presence at the heart of the traditional Sunday roast.

*Image by Robert Owen-Wahl from Pixabay*

The origins of Yorkshire pudding reach back to the early 18<sup>th</sup> century, when cooks sought clever ways to make the most of precious ingredients. Before modern ovens, roast beef was cooked on a spit over an open fire, and a pan was placed beneath to catch the drippings. Resourceful cooks began using those rich drippings to flavour a simple batter of eggs, flour, and milk or water, creating what was first known as “dripping pudding”. This early version was served as a first course, particularly in poorer households, where it helped dull the appetite before the more expensive meat was served sparingly.

Over time, the pudding evolved into the airy, crisp-edged, soft-centred delight recognised today. Its association with Yorkshire likely stems from the region’s reputation for producing especially light and well-risen puddings, though the dish was enjoyed throughout England. By the 19<sup>th</sup> century, the name “Yorkshire pudding” had firmly taken hold, and it became an essential component of the Sunday roast tradition.

Yorkshire Pudding Day encourages cooks of all levels to celebrate this humble yet beloved dish. Whether served with roast beef and gravy, filled with sausages as toad-in-the-hole, or reinvented in modern wraps and desserts, the Yorkshire pudding remains a symbol of British ingenuity and comfort. The day invites everyone to appreciate its history, enjoy its flavours, and keep the tradition alive.

### **GARDENING CLUB**

Wednesday February 18<sup>th</sup> - we're fortunate in February to have a visiting speaker from our neighbourhood, the professional Garden Designer, Dan Combes. He'll be talking us through the transformation of an uncultivated landscape into a garden in *From Chalk to Cheese – A Journey from Landscape to Garden*.

Wednesday March 18<sup>th</sup> - *The Wizard School for Composting* is coming to North Cadbury in March. Great, nutritious compost is crucial to strong healthy plants and resonates with today's recycling trend and takes zero miles to accomplish. Jeremy Haydn will guide us through the most effective methods and let us in of some of his own natural hacks to speed it up.

We generally meet in North Cadbury Village Hall on the 3<sup>rd</sup> Wednesday of the month at 6.30pm for tea, biscuits and chat before the talk at 7.00pm. Do come along and meet us, joining is optional. £5 for visitors for the evening, or £15.00 to join for the year.

We have more engaging talks lined up during the year as well as outdoor events in the warmer months. There's a plant discount event (for members only), a spring plant and cake sale, summer and Christmas parties and one or 2 creative sessions.

when our dreams have come true  
because we have dreamed too little,  
when we arrived safely because  
we sailed too close to the shore.*

*Disturb us, Lord, when with  
the abundance of things we possess  
we have lost our thirst  
for the waters of life;  
having fallen in love with life,  
we have ceased to dream of eternity  
and in our efforts to build a new earth,  
we have allowed our vision  
of the new heaven to dim.*

*Disturb us, Lord, to dare more boldly,  
to venture on wider seas  
where storms will show your mastery;  
where losing sight of land,  
we shall find the stars.*

*We ask you to push back  
the horizons of our hopes;  
and to push into the future  
in strength, courage, hope, and love.*

## Giving up for Lent

At the end of the vicar's pre-Lent sermon he suggested, as an example to the rest of the community, that the congregation should worship in an unheated church for the whole of Lent.

As they made their way into the chill Sunday air the vicar addressed one member of the congregation, asking what she had decided to give up for Lent. "Church," she replied firmly.

## Bible Puzzle

*Can you find 30 books of the Bible hidden in this passage?*

This is a most remarkable puzzle. It was found by a gentleman in an airplane seat pocket, on a flight from Los Angeles to Honolulu, keeping him occupied for hours. He enjoyed it so much that he passed it on to some friends. One friend from Illinois worked on this while fishing from his John-boat. Another friend studied it while playing his banjo. Elaine Taylor, a columnist friend, was so intrigued by it, she mentioned it in her weekly newspaper column.

Another friend judges the job of solving this puzzle so involving that she brews a cup of tea to help her nerves. There will be some names that are really easy to spot. That's a fact. Some people, however, will soon find themselves in a jam, especially since the books are not necessarily capitalised. Truthfully from answers we get, we are forced to admit it usually takes a minister or scholar to see some of them at the worst. Research has shown that something in our genes is responsible for the difficulty we have in seeing the books in these paragraphs. During a recent fundraising event, which features this puzzle, the Alpha Delta Phi-Lemonade booth set a new sales record.

The local paper, the Chronicle, surveyed over 50 patrons who reported that this puzzle was one of the most difficult they had ever seen. As Daniel Humana humbly puts it, "the books are all right here in plain view, hidden from sight". Those able to find all of them will hear great lamentations from those who have to be shown. One revelation that may help is that books Timothy and Samuel appear without their numbers. Also, keep in mind, that punctuation and spaces in the middle are normal. A chipper attitude will help you compete really well against those who claim to know the answers. Remember, there is no need for a mass exodus, there really are 30 books of the Bible lurking somewhere in these paragraphs waiting to be found.

*A new Sunday School teacher was having trouble controlling her class. Feeling frustrated she said "I want everyone who thinks they're stupid to stand up!" There was silence for a full minute, then little Johnny stood up. The teacher said, "So you think you're stupid, Johnny?" "Er, no", he said, "but I hate to see you standing there all by yourself!"*

*The new young minister arrived at church and found only an old farmer had shown up. "I think we'd better cancel the service," he said, whereupon the farmer, in his Sunday best, said "I don't know much 'bout preachin', but I do know somethin' about farmin' and if I went out in the field and found only one cow, I'd still feed 'im." The young minister preached for 45 minutes and then asked the old farmer what he thought of it. He replied, "Well, minister, all I can say is that if I went out in the field and found only one cow, I wouldn't give 'im the whole bale."*
