TERMS AND CONDITIONS OF BOOKING A BAPTISM

- The Church of England requires godparents to be Baptised/Confirmed. If you are unsure about this speak with the minister. Usual practice is to have 4 Godparents. (At least 2 can be same sex as candidate)
- If either one or both parents/carers are not baptised this can be arranged prior to the baptism or at the same time as the child's baptism.
- Once this form is completed a church member will contact you to meet before the Baptism takes place. This is an important part of preparation for Baptism, a chance to familiarise yourselves with the service and ask any questions you may have. **No baptism will take place without attending a prearranged meeting.**
- Baptism expresses membership of Christ's Church. It is desirable that it takes place in the setting of congregational worship, but where this is not possible the formal welcome will happen soon after with the church congregation present so that this important event can be recognised by the wider Church.

I confirm I have read the above terms and conditions and wish to book the Baptism detailed overleaf.
