

CHINNOR CHRISTIAN AID

Thank you so much for all your support at the ecumenical Christian Aid service for the start of Christian Aid Week on the 10th May. It was a good to see so many of our supporters and we hope you were encouraged to hear about the work Christian Aid is funding in partnership with the Beacon of Hope charity in Kenya. We have collected **£817.50** so far for the urban garden project in Nairobi but the final total for the week, won't be announced until after we have received all the sponsorship money from Mike Marshall's 70K walk. It's not too late to sponsor Mike, so please email shortmantm@gmail.com and we can organise it for you.

Thank you also for your messages and prayers of hope which you created during the service, for the RESTORE campaign, using our Kintsugi pot. These will now be added to many others and presented to parliament. Christian Aid along with many other humanitarian organisations is seeking to highlight the need for the introduction of fairer debt justice laws as the climate crisis is colliding with a debt crisis – trapping many more people into lives of poverty.

Our next fund raising event is our **Summer Sunday Lunch** that will be held on **Sunday June 28th at the Methodist Church, starting at 1pm**. This will include a two course lunch, soft drinks, a raffle and entertainment. If you would like to come and support us, please will you reserve a place no later than the **21st June** by emailing shortmantm@gmail.com or leaving a message on 01844 -350014. We want to make sure we have enough food for everybody and have a limit of 60 places!

Summer Sunday Lunch
Sunday 28th June at 1pm
Methodist Church, Chinnor,
