Thank you very much for everyone who has entered the 2026 draw, or who has made donations to assist the cost of maintenance
Village Hall Committee

St Giles' Church, Great Orton-Churchyard wall.

You may be aware that part of the east side of the churchyard wall at St. Giles' Church has collapsed and is in need of repair. This will require extensive fund raising. We have already received very kind offers from parishioners who wish to be involved and are eager to make a start with this in the coming weeks and months. If you are approached for sponsorship or other means of donating, please do generously support these initiatives. Fundraisers will have proof of permission from the PCC to do this on their behalf.

The churchyard is an important place for many families and is available to all residents of Orton parish, those on the Church Electoral Roll and at the discretion of the incumbent, where there are strong family connections or existing family graves.

If you wish to support the project, all donations will be most gratefully received. Contact details along with some methods of donating can be found on the inner front page of this magazine. Please kindly specify that your donation is for the churchyard wall.

In anticipation of your support, many thanks.

PCC of St. Giles, Great Orton

Update on the appointing of our next Priest-in-Charge

The Benefice Profile which will be used in our next round of advertising for the vacancy has been given minor updates, liaising with Archdeacon Stewart. The Archdeacon and the Benefice Standing Committee, on which all our parishes are represented, have approved the Profile and it is hoped now that the re-starting of advertising for the post is imminent.

The Croft Surgery Newsletter April 2026

Improvements!

Thanks to some generous donations by the families and friends of former patients, we have been able to purchase an additional medication storage fridge and an automated check-in system.

☀️ This makes it much easier to retrieve chilled medication when patients come to collect their items and has freed up space in our dispensary fridge.

📱 The check in system has reduced the need for queueing when you arrive for an appointment.

🙏 We are very grateful for the generosity and thoughtfulness of patients, their families and to the members of the PPG who advise and assist with decisions about expenditure from our patient fund.

Medication Orders and Deliveries

Online prescription ordering is preferred; we recommend using the NHS app. This is the most safe and secure way of ordering and you can use it 24 hours a day, seven days a week.

If phoning to order, please do not ring before 10.30am.

Due a significant increase in demands on our practice, for safety we will need longer to process medication requests. If ordering 3 or more items or if your request is for strong painkillers (Controlled drugs) you will need to wait 5 working days from the date of request for this to be safely processed.

Your co-operation with this safe system is necessary to continue our dispensary work.

Please remember to allow a full week if you are ordering medications for delivery. It is the responsibility of the patient to make alternative collection arrangements if they order too late.

We would be grateful if patients that can do so would revert to collecting their medication from the practice.

This will enable us to continue to provide a great service for our housebound patients and the most vulnerable patients who have no other options available for getting their medicines.

Coming Soon

Exciting news – we will soon have more room at the practice!

🏗️ An extension to the building will appear over the coming months.

🏗️ Please be aware that this will involve some mess and disruption.

We will keep patients updated as the project takes shape
