Contact Revd Jane – revdjanelewis@gmail.com

Payment in cash only and you need to be able to collect from the Parish.

Information

- All Monies go to the Parish unless there is a specific knitted Toy, Decoration that you request which needs a different pattern. In the latter case there could be a cost for the pattern
- Toy stuffing is high-loft polyester which states washable. I would suggest gentle hand washing.
- I always embroider eyes and don't use eye buttons.
- The first 3 knits on p.2 I have modified a pattern so could modify to a requested design providing I can work out how to do so e.g Cub, Brownie providing in trousers or shorts.
- Where the colour is not specifically required for the character then different colours maybe used and sometimes requested depending on whether I have the colour in stock or is a popular colour.
- Any height is as stated in the pattern so take as a guide not as 100% accurate.
- All knitting is done on two single knitting needles using Double Wool. If you wanted something that was in 4ply due to it's extra cost you would need to pay for the wool.
