

St Philip and St James Church, Hucclecote

Church Centre and Church - Facilities Information & Photos

Car parking

41 spaces (4 in front of the church and 37 at the back, including four disabled spaces). There is also parking available on surrounding roads but please be considerate to residents.

Church Centre - Kitchen

1. The main room area is approx. 7 metres by 7 metres. Accommodates up to 30 people seated
2. Tables – 7 x small folding tables (seat 4-6), 4 x long folding tables
3. Chairs – 12 x fold-up chairs, 18 x non-fold up chairs, 3 x high chairs
4. Kitchen equipment – induction hob and oven, double toaster, hot water boiler, electric kettle, food mixer, trolley, small fridge, small freezer, coffee maker, microwave, crockery, cutlery, pots and pans, cooker, mop and brush and pan (more cleaning materials in cupboard by the North door)
5. There is an extension lead in the main room area in the corner
6. First Aid kit on wall in the kitchen with log book to record incidents and items used.

Church Centre Hall

1. Hall size: Rectangular, approx. 15 metres x 8 metres. Seats up to 60 people with or without tables
2. Tables – 6 x long folding tables, 2 x non-folding long tables, 1 x small non-folding table (extra tables can be brought in from the kitchen or from the church)
3. Chairs – 44 x folding chairs, 2 x steel chairs, 10 x children's chairs (extra chairs available in the kitchen area)
4. Both North and South entrances have a ramp for prams and wheelchair access with railings alongside and there is an accessible toilet near the South entrance
5. Other toilets (2 x female, 2 x male) are on the right as you enter by the north door. Baby changing facilities are available here
6. Extension lead in the kitchen area and projector stand by the north door
7. Vacuum cleaner, dust pan and brushes and cleaning materials are in the cupboard beside the north door
8. Internet connection details available from the church office
9. First aid equipment is in the kitchen area
10. There is a defibrillator on the outside wall of the Church Centre facing the road. This is opened by phoning the number on the defibrillator and instructions are inside.

The Church

1. Seats around 200 with around 152 chairs normally kept in church. For big events, more chairs can be added from elsewhere on site. Chairs are movable and 3 or 4 can be stacked on top of each other
2. Children's play area and toys
3. Tables – 4 x small folding tables (seating 4-6) at the back, 4 x long folding tables in the outer vestry with more available from the Church Centre
4. A laptop (hirers to bring their own) can be used at the front of the church to link in to the AV system

Church Centre and Church - Facilities Information & Photos

5. Visuals and sound can also be projected from the computer and sound desk at the back of church and microphones are available. However, use of these facilities is subject to prior agreement with the church office and an additional verger and or AV verger fee
6. There is a small kitchenette supplied with hot water boiler, coffee maker, electric kettle, spoons, china mugs and plastic mugs
7. The internet is not always reliable. Check the router on the window-sill above the kitchenette for log-in details. The router needs to be aligned at cross angles to the line of the window sill
8. Vacuum cleaner in outer vestry
9. Extension leads – behind organ and at back
10. Access via ramp at the main door of the church
11. One toilet in the outer vestry with baby changing facilities
12. Church has 3 x exits in case of emergency
13. First Aid kit on the windowsill above the kitchenette along with log book to record incidents and item use.
