## PARISH NOTICES

Many thanks to all members of the new much expanded PCC who stayed behind for our inaugural meeting last Sunday. We now even have two subgroups, on mission outreach and church governance, which will meet separately.

The temporary “human operated” **SumUp** contactless giving machine that was poorly last week is now **working**, even though SumUp’s Anti Money Laundering people are not yet fully convinced we are a legitimate organisation so have put a “limit” on the amount we can take whilst unverified (£5,000)
