Please contact the Rector to arrange for this to take place. For this you will need to provide details of the previous marriage, a copy of the decree absolute and speak about the current relationship.
- (iii) Banns are normally published 4-8 weeks before the marriage. If you do not know the address at this time please leave blank. However, we will need to know the address before calling banns. If your address will change between calling banns and getting married please contact us as soon as possible so that we can make sure that the necessary legal preliminaries are completed.
