Collect Prayer for Today

***Gracious Father,
by the obedience of Jesus
you brought salvation to our wayward world:
draw us into harmony with your will,
that we may find all things restored in him,
our Saviour Jesus Christ.***

Loving God,

We bring before you the young people of Tunstall Deanery. You know their hopes, their struggles, and the unique calling You have placed on each of their lives. Grant us wisdom, unity, and clarity of vision as we seek Your will for how we can nurture, disciple, and empower these young people.

Stir in us a holy imagination to create spaces where they will feel seen, heard, and welcomed.

Unite us as a Deanery with one heart and one purpose: to build a church where all can thrive, belong, and Give us courage to invest in youth ministries, such as Ignite, that will help young people grow in faith, curiosity, and confidence discover fullness of life in Jesus Christ.

**We ask this in His precious name.
Amen.**

BENEFICE

Our rural young people deserve the same opportunities as young people in urban communities! – A reflection by the Vicar.

Following the pandemic, the National Youth Agency commissioned a report to examine youth provision in local areas. The report made it clear that there are vast gaps in local youth services, with 2.2 million young people, living in predominantly rural areas, consistently overlooked. The National Youth Agency says that there is little or no co-ordinated provision in many rural areas to tackle inequalities and put young people at the heart of the coronavirus recovery. The amount spent per head on youth work for 11- to 19-year-olds in rural England, £47, is 25 per cent less than in urban areas, and half the level of a decade ago.

Young people, growing up in rural areas, often suffer from feelings of isolation, imposed not just by distance from school friends, but also because of a deficit in ways to build connections – there may well be no public transport, poor or non-existent mobile signal and poor Wifi connectivity. All of this puts our rural youngsters at risk of poor mental health but also makes them vulnerable to County Lines gangs that, in some parts of our Diocese, already target rural youth. Furthermore, we see few of them in our churches and there are few opportunities for us to help them to walk the path of Christ, as fellow disciples.

All of this has been weighing heavily upon the minds of the clergy serving in our rural deanery of Tunstall but we have a solution, we just need some support to make it a reality!

Blackburn Diocese are running a scheme called 'Ignite', which will initially fund Youth Workers 100% in the first year with funding gradually being reduced over the 5 years that follow. Tunstall Deanery are putting together a bid for 2 Youth Workers to be employed to work across the Deanery, creating and equipping hubs in rural areas where young people can be brought together safely to share fellowship and fun. In order for our bid to be successful, we need to find funding to support the future years of the project and that is where we need your help!

Perhaps you're a regular churchgoer or perhaps you are just someone who wants to see our rural youth given the same opportunities as their urban neighbours {it's a matter of fairness and justice for me!} If you care passionately about the future for our young people and feel able to donate to support our bid for 2 Youth Workers then please email me for further details: revcinders@gmail.com . Most importantly, please pray for our rural youth and that our vision for them can become a reality.

With every blessing

Canon Cindy Rigney {Tunstall Deanery Area Dean}

Gluten free communion wafers are available to anyone who needs them. If you require gluten free communion, then please speak to a churchwarden, or the priest BEFORE the service begins and we will ensure that you are able to receive safely.

The next **Deanery Synod** will be on 29th June, 7.15 for 7.30pm at Christ Church, Over Wyresdale. It is open to anyone and we will be hearing more about the vision for youth work in the deanery, so please do come along. (We will also be serving mock-hitos and strawberries!)

Thank you to everyone who supported our Curry Night and to the Mums who made the pans of curry! It was a huge success and we raised over £500 which was well over the £150 challenge that had been set. We will be sending £150 to the Central Fund and £350 to the Caravan Fund because next year, we hope to buy a new caravan where we will continue to offer holidays to those whose lives have met with adversity.

Our next **Mums Meeting** will be in The Bay Horse on Thursday 2nd July at 7.30 when we'll be reflecting on what we have achieved during the past year and look forward with new ideas for the future. If there are any members of PCC who can stay for 5 minutes following the service, Cindy would be very grateful.

This time of year is known as '**Petertide**'. It's a time when we think about those being ordained this weekend but we especially remember St Peter. It is therefore our Patronal time of year and we will be celebrating it at next Sunday's Family Service.

Advance notice that there will be no morning service at St Peter's on 12th July because of the cycle race. Instead we will meet to worship at 1pm.
