HALL FOR HIRE St Mary's Church Hall 2026

St. Mary's Church Hall is available for hire. It has a fully equipped kitchen and seating facilities for up to 60 people.

Beside St Mary's Church in Sturminster Newton is its Grade II listed Church Hall. Originally a school built in 1817. This Historic building is a pleasant, multi-purpose hall of a very useful size, available for hire as well as for church use. It is close to the town centre where accommodation is available.

In addition to church groups and meetings of all sorts, it is regularly hired out for children's parties, other private functions such as baptisms, wedding and funeral refreshments, and to other organisations for meetings and for training purposes. There are local companies that can provide catering services, please ask for details.

It can accommodate 60 people seated for a special lunch or dinner and has tables and chairs for that number.

Anyone interested in finding out more about hiring the hall, please contact:

Sue at
stmaryshallbook@btinternet.com

The hall is modern, clean, light and airy with a floor space of 17m x 33m with electric heating if required.

The kitchen is well equipped with a 4-ring electric cooker, microwave, fridge and dishwasher, crockery, cutlery and glasses.
