A baptism is a **special welcome into God's family** and the church community. We normally hold baptisms during our regular Sunday service so that the whole congregation can celebrate with you. If your baptism takes place at another time, we will invite you back to a Sunday service to receive your baptism certificate and be welcomed by the church family.

Hymn Requests:		

The Church of England requires godparents to be baptised and over the age of 16.
If you are unsure about this speak with the minister.
Usual practice is to have 4 Godparents. (At least 2 can be same sex as candidate)

If you are unsure of godparents currently, please email details at a later date to

Other information:

Tell us about your connection with this church. Have there been other family baptisms here? Any other useful information?

Once this form is completed you will need to have a meeting with the minister before the baptism takes place. This is an important part of preparation for Baptism, a chance to familiarise yourselves with the service and ask any questions you may have.

No baptism will take place without attending a prearranged meeting.

I confirm the information given is correct and wish to book the Baptism detailed.
