

Hello supporters!

One Lottery's biggest ever summer prize is back for a third year, and they're delighted to announce this year's **Summer Super Draw** prize – a **£2,000 Luxury Holiday!**

On Saturday 29th August, one lucky supporter will win this incredible prize (or choose a £2,000 cash alternative instead).

With £2,000 to spend, the possibilities are endless. A five-star city break in Rome, Paris or Barcelona. A relaxing autumn escape to Center Parcs once the summer crowds have gone home. Or perhaps a bucket-list trip to see the Northern Lights later in the year: Whatever your dream getaway looks like, this flexible prize gives you something genuinely exciting to play for.

If getting away is not your thing, then don't forget the **£2,000 cash alternative** prize or the green option of planting **2,000 trees**.
