Godparents:

Each Child should have at least three Godparents. Two of the same sex and one of the opposite sex to the Child. Although there is no official maximum, three or four is usual.

Because of the very special role they have in supporting your Child's faith journey, Godparents must have been baptised themselves (however this does not apply to the Child's parents).

If you already know who your Godparents will be, please provide their details here, but if you are not yet sure, do not worry, as this information can be provided at a later stage.
