Concert Series

Welcome to the Friends of St Augustine's

The Friends of St. Augustine's was established to promote concerts to raise funds to assist with the maintenance of the church. Regular concerts and recitals are held in the church.

The building itself possesses an outstanding acoustic and is regularly used for rehearsals and recordings. A variety of musical events feature every year featuring artists from near and far.

Offering new experiences to young musicians is also a strong commitment. There are masterclasses, workshops, as well as performance opportunities.
