

August Super Draw

From the sun-soaked Greek islands to the dramatic Norwegian fjords or even exploring the Mediterranean, a cruise offers the chance to discover somewhere new every day – all while enjoying the comforts of life on board. Perhaps you'd like somewhere closer to home? Why not try windswept coastal escapes, a cosy forest lodge or a culture-filled city breaks, the UK has no shortage of extraordinary places to explore.

With £2,000 to spend, One Lottery's Summer Super Draw winner could turn a staycation into something truly special – perhaps a cottage overlooking the Lake District, a luxurious Cornwall coastal break, a West End theatre weekend or even a few nights in a Scottish castle. You could even beat the summer rush with a relaxing autumn break at Center Parcs – perhaps adding an Aqua Sana spa experience for an extra touch of luxury.

One lucky supporter will win a £2,000 luxury holiday in the draw on Saturday 29th. August. Make sure you're in with a chance of winning by buying your lottery tickets now!
