**Deadline for
November edition**

Mon 19th October

This edition
will be available by
Sunday 25th October

From our Rector, Rev'd Tom Benson

Dear Friends,

October is one of those months when you really notice the changing of the seasons. The mornings become darker, the evenings draw in, and there is a definite nip in the air. The fields and hedgerows begin to change colour, and there is that wonderful smell of autumn leaves and wood smoke.

It is also a month which reminds us to give thanks. We have much to be thankful for: for the food on our tables, for those who grow and produce it, for our countryside and for the people who quietly care for one another in our villages.

Autumn also has a way of reminding us that life moves in seasons. The trees let go of their leaves, not because they have failed, but because it is simply time for them to do so. Perhaps there is something for us to learn in that. We do not have to hold on to everything. Sometimes faith means trusting God enough to let go, and believing that there will be new life in God's good time.

On the 30th of October, the 31st of October and the 1st of November we will be holding services of Remembering in our churches. These are a time where we invite you to come, remember and give thanks for the life of loved ones who have passed away. When we lose someone that we dearly love the world can seem to carry on without us, we can feel under a lot of pressure to 'move on' and it is very often a lonely time. These services aim to be a space to acknowledge our loss, give thanks for the lives of our loved ones and pay our respects. There is no time limit for grief so everyone is welcome whether your loss is recent or not.

The times of the services are :

Friday 30th October Awbridge 7pm
 Timsbury 7pm

Saturday 31st October Michelmersh 3pm
 Farley Chamberlayne 3pm

Sunday 1st November Braishfield 3pm
 King's Somborne 3pm

So, as the leaves fall and the evenings draw in, may we make the most of this beautiful autumn season. May our churches continue to be places of welcome, prayer and friendship, and may we remember that, whatever the season of life in which we find ourselves, God is with us.

God Bless, Tom

A Lasting Legacy

Dear Friends,

As we move into autumn, there is something rather special about this time of year. It is a time when we naturally look back with gratitude for what has been given to us, and perhaps also look ahead to what we might leave for those who come after us.

That thought of legacy is one that has a particular place within the life of the Church.

Our churches have been handed down to us by generations of Christians who worshipped here, prayed here, celebrated weddings and baptisms here, and mourned their loved ones here. They cared for these buildings and, just as importantly, they passed on a living faith. We are here today because others before us believed that these places and this Christian witness were worth preserving.

One way in which we can help to continue that tradition is through leaving a gift to the Church in our will. A legacy need not be large. Every gift, however modest, can make a difference to the life of the parish and help ensure that our churches remain places of prayer, welcome and worship for generations to come.

Of course, making a will is a deeply personal matter, and our first responsibility is always to provide for our families and those closest to us. But once those wishes have been considered, some people find it meaningful to remember the Church that has been part of their lives. A legacy is, in a very real sense, a way of saying *thank you* for all that we have received, while helping to give something to those who will come after us.

Perhaps that is one of the great gifts of a Christian community: we are not simply here for ourselves. We are part of a story that began long before us and, God willing, will continue long after us.

Many thanks, Rev'd Tom Benson

Michelmersh Silver Band 140th Anniversary Concert on 6th September

The weather was perfect and it was a lovely afternoon of picnicing outside and music in the church. Many people in the audience were the descendants of past band members and all were delighted to hear the part they had played in MSB history acknowledged. There was a lot of emotion in the building!

The MSB is so grateful for the support shown in our home village. In terms of money, we collected £413 on the raffle and the 'hat collection' - a fantastic sum. Please pass on our thanks to all.

The photos show part of the display about the history of the Band.

Eco-tip for October: Greening your home this Autumn.

Tackle climate change and reduce your heating bills by finding and reducing the draughts in your home. Find the gaps that let cold air in and warm air out (keyholes, letterboxes and gaps around windows, doors, loft hatches and floorboards for example). Do what you can to fix these gaps - there are lots of tutorials on how to do this online.

It's also a good time to prepare for winter by putting radiator reflector foil or baking foil behind the radiator. This will reflect heat back into your room.
