

Welcome to

Mundesley Community Hubs Café and Larder...

...Where **ALL** are welcome

How it Works

When you come into the Hub, you will be given a number card with a number 1 – 12 (these are given out per household). When larder starts at 10am, numbers will be drawn at random. When your number is called, please return your number card to the person who gave you it and head into the back room to collect the food you would like. There you will be given a red shopping basket which should be used to hold any food you pick up. We kindly ask that those whose numbers are called early on to be mindful of those who will be called afterwards. Please do not overfill your basket or carry out extra items. Once all numbers have been called there will be opportunity for all to have a second chance to collect from the larder. Please bring your own bag to carry food home in.

Refreshments

In the main hall, there is a coffee bar located at the back on the left where there is a range of hot drinks and cakes available aswell as cheese on toast. These are provided free of charge but donations are greatly appreciated and enable us to continue being generous.

The Food

Our larder relies on food donated by Mundesley Tesco, North Walsham Waitrose, Morrisons Cromer, North Norfolk Food bank and individual donations. Most of the food received is 'yellow sticker' so we encourage you to check all produce thoroughly before consuming. Because we receive unsold produce, there is no guarantee on the products we have each week.

*For any further information, talk to one of our volunteers or contact:
Revd Sally Myers 07840 399185 rectortrunchgroup@gmail.com*

Different Needs

We are so pleased that our larder is so well attended by our local community and the cafe beforehand is often busy and lively. However, we understand that for some people this may be overwhelming. If you would like to attend larder but feel unable due to the noisy environment please do let one of the volunteers know so we can help make your visit more comfortable. If you have any other, particular need, again, please let us know.

Keeping you Safe

Additionally, if the Community Hub is at full capacity, due to health and safety guidelines, we are not able to let any more people in, you are more than welcome to wait in the garden, out the front (or wherever you like!) until you are able to enter safely.

Caring for You

There is all sorts of information in the Hub about where you can get help if you are in need. We also have regular visits from organisations offering assistance. If you can't see what you need, please ask!

During and after larder, we have a pastoral team available to offer a listening ear for anyone - just look for someone with a blue lanyard and they will be happy to sit with you, to talk or listen.

For Transparency

We rely on and are deeply grateful to our volunteers, who also have different needs. Some do not take any food from larder, others take a ticket like everyone else, some take up to six items before we start.
