

NOTICES FOR 11th OCTOBER

SUNDAY@7 – REFRESHMENTS

We are again asking for refreshments for this Sunday's "Sunday@7"

If you are able to provide any tasty treats, please either drop them off on

Sunday morning, or bring them to the service in the evening.

Thank you in advance

SPRING HARVEST 2027

We unfortunately have 2 beds become available in one of our chalets. Are you interested in joining our group for 5 days of celebration, teaching and joy in Minehead?

If so, please speak to Ian or Linda Paul

WHEELCHAIR

We already have a small wheelchair in Church, but are looking for a larger adult wheelchair. If anyone has a spare wheelchair collecting dust in their garage/house or know of someone who is wanting to get rid of one, please can you let Linda or Ian know.

POPPIES

We've got about 350 poppies so far! Wonderful. Please don't give up. We've got until the end of September, although if they're still coming in October, that will still be good. During October I want to start attaching the poppies to the camouflage material we shall be using, so I'm hoping that some of you will be able to come along to help. A lot of the poppies have safety pins, others will need to be either sewn or tied on.

I was wondering whether we might be able to get together, probably at our home, once a week on a Tuesday morning and see how we get on.

Please let me know if you can help and thank you to everyone who has been knitting.

We've got a really good range of colours and sizes! Marvellous.

Many thanks,

Sylvia

6th NOVEMBER CONCERT
