

St Michael & All Angels, Chetwynd

A Prayer for October

Heavenly Father,

As the colours of autumn surround us and the fields yield their harvest, we give you thanks for the abundance of your creation and for all the blessings we receive from your generous hand. Help us never to take these gifts for granted, but to use them wisely, share them gladly, and remember those who are struggling or in need.

We thank you for the life and witness of St Michael and All Angels, Chetwynd, and for the faithfulness of all who have sustained the church through recent months. As we celebrate Harvest, fill our hearts with gratitude and remind us that every good thing comes from you.

*We pray especially for **Revd Pippa White** as she is welcomed and licensed as Rector of the Benefice of Newport with Longford and Chetwynd this month. Bless her with wisdom, strength, and joy as she begins her ministry among us. May she know your guidance in every decision, your peace in every challenge, and your encouragement in every opportunity to serve.*

Grant that together we may grow in faith, hope, and love, welcoming one another as Christ welcomes us, and seeking to share his light within our communities.

Through the prayers of St Michael and all the angels, may we be strengthened to follow Christ faithfully, serve others generously, and trust always in your unfailing care.

*Through Jesus Christ our Lord, **Amen.***
