Appendix A - The Code of Safer Working Practice

The Code of Safer Working Practice expresses our commitment to demonstrating God's love by placing the highest priority on the safety of those to whom we minister. It sets out what we expect from anyone who ministers in our church, in both paid or voluntary roles, and is one of the ways we ensure high standards of safeguarding in all we do.

Upholding the Code
All members of staff and volunteers are expected to report any breaches of this code to the Parish Safeguarding Officer. Staff and volunteers who breach this code may be subject to disciplinary procedures or asked to leave their role. Serious breaches may also result in a referral made to the relevant statutory agency.

All those working on behalf of the parish with children, young people and adults must:
- Treat all individuals with respect and dignity;
- Respect people's rights to personal privacy;
- Ensure that their own language, tone of voice and body language are respectful;
- Ensure that children, young people and adults know who they can talk to about a personal concern;
- Record and report any concerns about a child, young person or adult and/or the behaviour of another worker with their activity leader and/or the Parish Safeguarding Officer. All written records should be signed and dated;
- Obtain written consent for any photographs or videos to be taken, shown, displayed or stored.

In addition, those working with children and young people must:
- Always aim to work with or within sight of another adult;
- Ensure another adult is informed if a child needs to be taken to the toilet;
- Respond warmly to a child who needs comforting but make sure there are other adults around;
- Ensure that the child and parents are aware of any activity that requires physical contact and of its nature before the activity takes place.

All those working on behalf of the parish with children, young people and adults must not:
- Use any form of physical punishment;
- Be sexually suggestive about or to an individual;
- Scapegoat, ridicule or reject an individual or group;
- Permit abusive peer activities e.g. initiation ceremonies, ridiculing or bullying;
- Show favouritism to any one individual or group;
- Allow an individual to involve them in excessive attention seeking;
- Allow unknown adults access to children, young people and adults who may be vulnerable. Visitors should always be accompanied by an approved person;
- Allow strangers to give lifts to children, young people and adults who may be vulnerable in the group;
- Befriend children, young people and adults who may be vulnerable on social media;
- Take photographs on personal phones or cameras as this means that images are stored on personal devices.

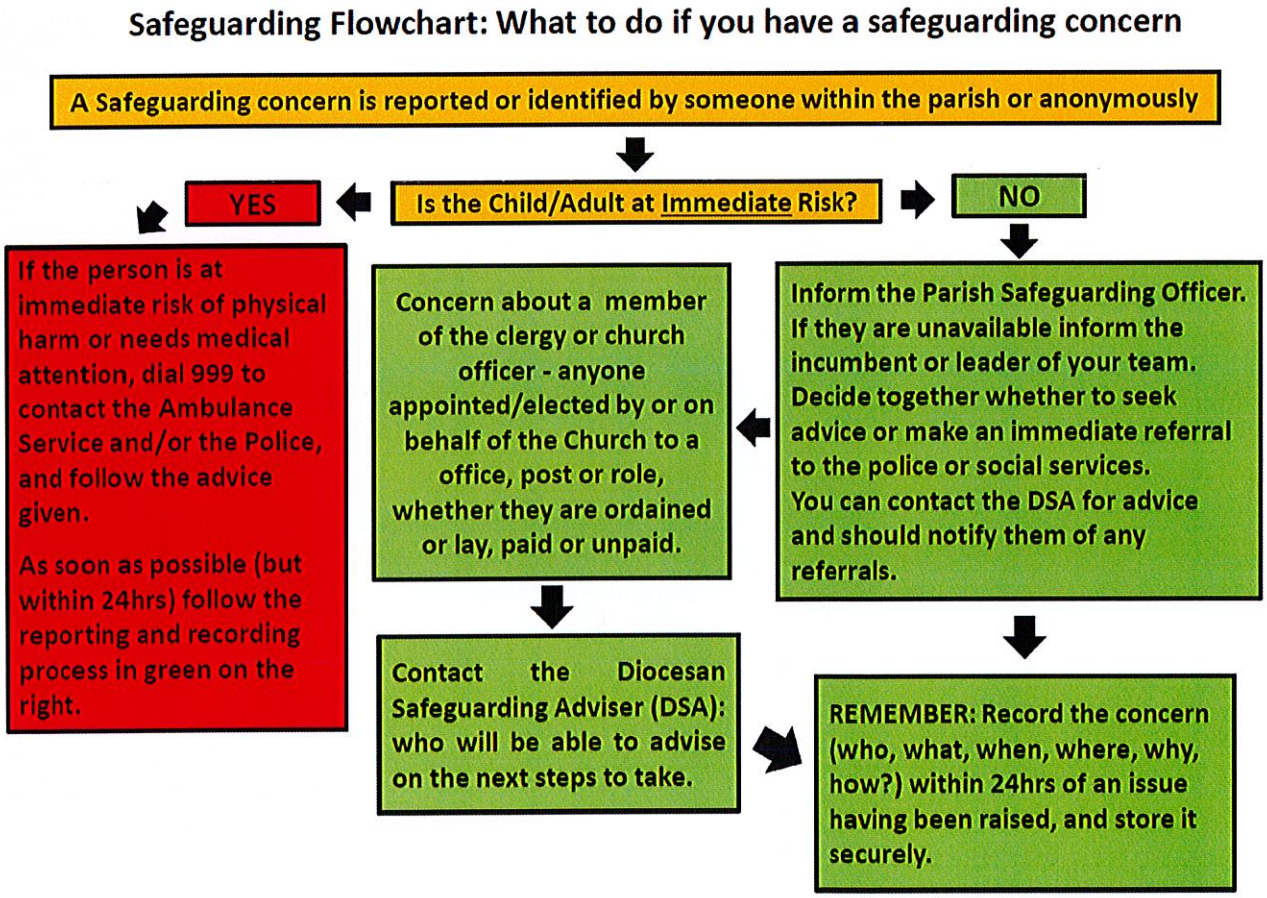

In addition, for children and young people, must not:
- Give lifts to children you are supervising, on their own or your own (unless there are exceptional circumstances e.g. in an emergency for medical reasons or where parents fail to collect a child and no other arrangements can be made to take a child home. In such situations, the circumstances and your decision must be recorded and shared with an appropriate person at the earliest opportunity);
- Smoke or drink alcohol in the presence of children and young people;
- Arrange social occasions with children and young people (other than events which also include family members/carers) outside organised group occasions.

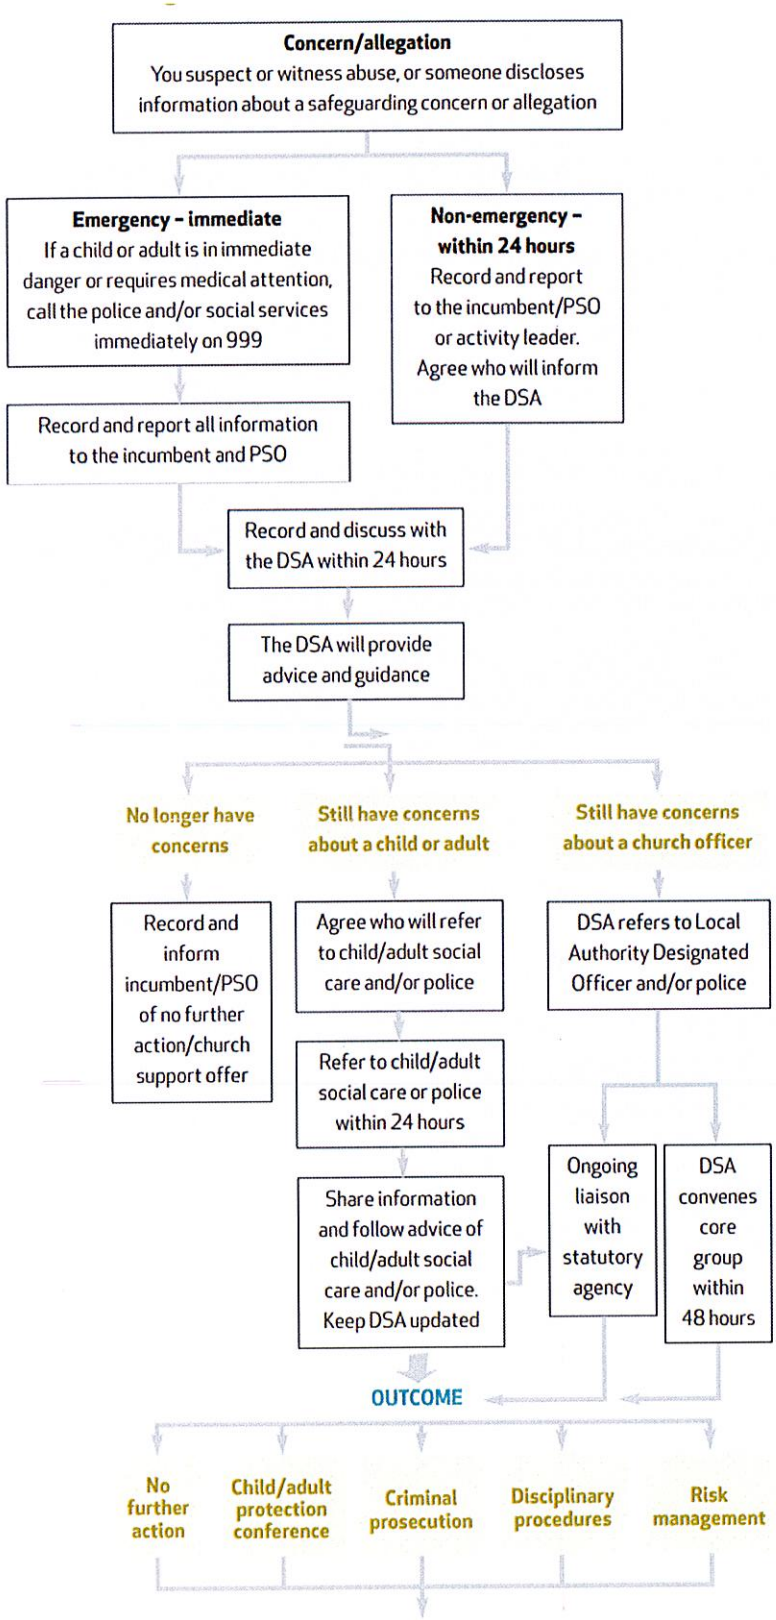

Acceptable Touch

Sympathetic attention, encouragement and appropriate physical contact are needed by children and adults. Some physical contact with children, particularly younger children, can be wholly appropriate. However, abusers can use touch that appears safe to 'normalise' physical contact which then becomes abusive. As a general rule, the use of touch between adults in positions of responsibility and those with whom they are working or volunteering should be initiated by the person themselves, and kept to the minimum. In addition to this, always follow the guidelines below:

- Ask permission before you touch someone;
- Allow the other person to determine the degree of touch except in exceptional circumstances (e.g. when they need medical attention);
- Avoid any physical contact that is or could be construed as sexual, abusive or offensive;
- Keep everything public. A hug in the context of a group is very different from a hug behind closed doors;
- Touch should be in response to a person's needs and not related to the worker's needs. Touch should be age appropriate, welcome and generally initiated by the child, not the worker.

Appendix B – Safeguarding Concern Flowcharts

RECORD ALL ACTION – Consider the support needs of all those affected by allegations of abuse at all points in the above stages. Remember the safety and welfare of any child or adult takes precedence over all other concerns

Appendix C - Hire of Dorchester Abbey Premises - Safeguarding Agreement

The Parochial Church Council of Dorchester Abbey has a Policy for Safeguarding Children, Young People and Vulnerable Adults. A copy is attached. Your booking agreement is conditional upon you complying with it unless you already have an equivalent policy of your own.

- you will provide the church with a copy of your organisation's Safeguarding Policy/ies or if you do not have one adopt the current parish policy;
- you will recruit safely all current paid and voluntary workers who work with children and/or vulnerable adults, by obtaining satisfactory disclosures from the Disclosure and Barring Service where eligible, and keeping records of dates and disclosure numbers indefinitely;
- you will keep a list of the names of all paid and voluntary workers with regular and direct contact with children/vulnerable adults, and update it annually;
- you will always have at least two leaders over the age of 18 years in any group of children and young people, no matter how small the group;
- no person under the age of 18 years will be left in charge of any children or young people of any age;
- no child or group of children or young people should be left unattended at any time;
- a register of children, young people or vulnerable adults attending the activity will be kept securely. This will include details of their name, contact details of parent/guardian/carer etc., date of birth and next of kin;
- you will immediately (within 24 hours) inform the Parish Safeguarding Officer of:
  (a) the occurrence of any incidents or allegations of abuse or causes of concern relating to members or leaders of your organisation, and contact details for the person in your organisation who is dealing with it
- (b) any known offenders against children or vulnerable adults seeking to join your membership, and manage such allegations or agreements with offenders in co-operation with statutory agencies, and with the church.
