The **DEADLINE** for the

SEPTEMBER magazine

is **FRIDAY AUGUST 14th**

Dear friends

Towards the end of July, all the children are preparing to change to the next class or even change to the next school – looking forward to new beginnings. Some of them may be going from nursery to the infant classes, some into the junior classes, and some up to senior school, and some will be moving away from home to go to university. Meanwhile, they may all be getting very excited about the big holidays: some will be going away, and some will be staying at home, but it will be different times – new beginnings. All these new beginnings can be times filled with the excitement that goes with something new, and some people take to change very easily, but to some, they may also be times of worry about what is happening. We know this is life. Our lives change, and if we look back, even though we might feel the same, something different just happens every day. People say that you learn something new every day and that is good to learn new things or understand something better than we did before. To quote T. S. Eliot: "What we call the beginning is often the end. And to make an end is to make a beginning. The end is where we start from." It's all part of life's tapestry. It would be a pretty boring life if we didn't find things out that are different and learn something new all the time – it is all part of growing and learning and being. When certain things happen in your lives, we understand they will never be the same again. In our family this year we had quite a lot of new beginnings and changes, so those times of being different aren't always as pleasurable as you would like them to be. My sister Lisa, who had Down's syndrome, died, and she was the youngest of us all; it just wasn't what we expected, and we all miss her very much, but when we look back, our memories of her life and what she achieved are immense. It's a new beginning for all of us without Lisa, and lots of you will be in a similar position with your own family lives. Sometimes, we feel as we get older that maybe we don't learn a lot of new things and maybe life isn't as exciting but looking back I feel we can all see the changes that have made a big difference. The excitement of going on new holidays, the apprehension of going for an interview, or the time in our life when our faith grows. Sometimes, looking back, we can really see how faith has changed us. To have God in your life through all these times helps. It's like looking back at the footsteps in the poem, when we feel that we have been on our own when we see only one set of footsteps in the sand, and then we understand that we weren't on our own, but God had been carrying us all that time. Sometimes, we only realize when we look back how far we have come. I hope and pray for you all this summer that you have a wonderful time and that the children, even if they are apprehensive, will enjoy their next stage of their lives. As they come to the new beginnings of the next chapter, may they learn that God is always with them, and also with you. With love and prayers Rev. Christine

Churchwarden's Letter

"Whoever is kind to the poor lends to the Lord, he will reward them for what they have done." **Proverbs 19:17**

This month, Blackburn Cathedral will be holding an exhibition to showcase the work of the Mothers Union to correspond to the Diocese 150th Anniversary. Exhibits will highlight a wide variety of campaigns the Mothers Union has been involved in over the years as its members seek to put their faith into action by raising awareness on topics such as domestic abuse and modern-day slavery.

Alongside this the Mothers Union has worked to support hospitals in providing knitted baby clothes for neonatal units and teddies. If you wish to visit the exhibition it takes place on the 8th of this month and runs from 10am to 1600hrs with a service by Bishop Philip from 2-3pm. If you visit and are inspired by the work of the Mothers Union, please speak to Amanda on your return who will be happy to tell you more about how you can get involved.

On the 10th of this month, we commemorate the feast day of St Lawrence. Lawrence chose to protect the church's money and sacred artifacts from the Romans so he could look after the poor and sick in his care. He was roasted on a gridiron by Roman soldiers as a punishment. He is the patron saint of all cooks, chefs, firefighters owing to the nature of his death. Whilst holidaying in Malta for our Ruby wedding anniversary, we paid a visit to his church in Vittoriosa. The Knights of St John established themselves in this church in 1530 and paid for a striking altarpiece depicting St Lawrence's martyrdom. Since our visit I make an effort to remember this humble saint and the beautiful town of Vittoriosa as they celebrate his feast day.
For those of you who have a dog or a cat as a pet you will be aware that on the 8th of this month, we will be celebrating International cat day,

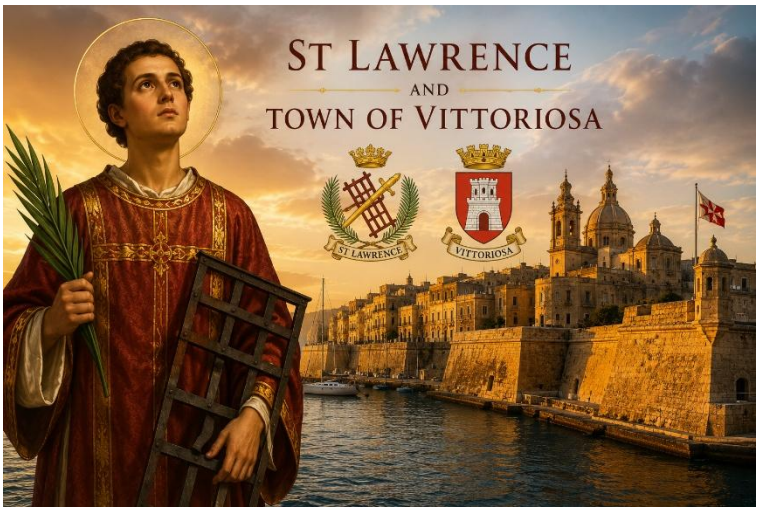

whilst later in the month, on the 26th we will celebrate International dog day. By giving your pet an extra cuddle or treat on this day you can show how much you appreciate their friendship and company. If you don't own a dog or cat you may want to visit your local RSPCA shelter and donate some food, blankets or toys to help them look after abandoned pets, in their care on these dates, who knows if you make a visit, you could be tempted to adopt or foster a cat or dog yourself!

I hope next month many of you will visit our church as we have organised several events to celebrate our church's 140th birthday. (our church is a centurion plus 40! wow!!) We will be having an exhibition in church showing how the church and its village has changed over the last hundred plus years so if you are interested in ancestry and history then this is a must see for you. There will also be a concert on the 13th featuring the Freckleton Brass Band.

Tickets are now on sale if you would like to come along (see Mike Willetts, they cost £8 and food is included in the cost of the ticket). Should you wish to buy your ticket on the night of the concert you should be able to do so as long as it's not a sell-out.

A trip has also been planned to visit Christ Church Oxford for a talk, corporate communion and supper at the end of September which will round off our church's birthday celebrations. So, next month we look forward to welcoming you all, maybe on more than one occasion!

Blessing to you all
Jackie

In June we were very fortunate to have Rachel Taylor-Watson talk to us about her job as a Veterinary Nurse. It was a really interesting and informative talk and we saw some amazing pictures of the animals she has treated and also some X-rays.

She started at the age of 21 and has travelled all over the country as a locum and even spent a year in Australia.

She worked at a Veterinary Hospital in St Anne's for 13 years and has now been at Ribble Vets for the last 5 years. She has helped nurse exotic animals such as Geckos, Chameleons and Sugar Gliders, as well as Cats, Dogs, Rabbits and Tortoises. She has trained in many roles including Phlebotomy, dietician, anaesthetics, radiography and Hydrotherapy.

She has a passion for animals and their welfare and said that although her job can be stressful at times, she loves the job she does. Thank you Rachel for a wonderful talk and lovely afternoon.

Over the summer we will be having a garden party with afternoon tea.

There is also a trip organized for August- World of Wedgwood Experience.

Our next meeting will be 23rd September at 1.30pm, beginning with Communion in Church, led by Rev. Alan Byrom and a talk in the village hall.

If you would like to join us at any of the meetings, please do so, you would be made very welcome.

God Bless,

Amanda

Soaring temperatures and relentless sunshine were no deterrent to the ladies of Warton WI when the second Tuesday in the month rolled round again. Windows were opened to capture any breeze careless enough to wander in our general direction, chilled water was handed out and all sorts of fans were deployed ranging from Hi-tec to improvised folded paper. Our visiting speaker, Cate Beassington, found her own way of keeping cool by going barefoot to present her very interesting talk about the Art of Spinning.

Cate brought along an impressive array of spinning paraphernalia, passing round several items for us to get the feel of the tools involved, some of which were surprisingly heavy. Similarly, we all got to handle a lot of wool in the various stages it goes through between the shearing and readiness for spinning. The heavier items which stayed on the table were lovingly described by Cate, who showed that she had a very close affectionate bond with the tools of her trade.

From her descriptions, we soon understood that such a bond must have been felt by women throughout the ages, since spinning was a major occupation and source of income for most of the female population, going on throughout the day, even one-handed while the women concerned were taking care of other chores.

This month's competition was for a Knitted Article and, as may be expected, the choice offered for Cate's judging was quite impressive. It must have been a hard choice, but Michelle's hugely intricate jumper was a worthy winner. It just seemed hard to imagine that in just a few short months we'd all be looking out our woolly-pullies to cope with what winter has in store for us.

But whatever the weather, come rain or snow (or tropical sunshine as the TV advert says), the Warton ladies will be there at 1pm in the village hall on the second Tuesday of each month. And whatever the outside temperature, the welcome indoors is guaranteed to be warm to anyone who'd like to join us.

Could You Be Our New Treasurer?

We are looking for a new Treasurer for our church. Firstly, we would like to express our sincere thanks to Robin, who has served as Treasurer with great dedication and skill. He has done a brilliant job but sadly is having to step down due to health issues. We are extremely grateful for all he has done and wish him a full and speedy recuperation.

In the meantime, Mike, Paul and Simon have kindly agreed to share the responsibilities of the role. We are very thankful to them for stepping in, but as they already undertake many other duties within the church, this arrangement cannot continue indefinitely. They will continue to support and assist a new Treasurer, and plenty of help will be available during the handover.

The Treasurer plays an important role in the life of the church. We are looking for someone who:

- Has reasonable financial competence and can maintain a basic accounts book.
- Is willing to attend PCC meetings, not only to deal with financial matters but also to be aware of the PCC's plans and priorities.
- Can explain financial issues clearly, both within the PCC and to the wider church membership.
- Is able to maintain confidentiality, particularly regarding matters relating to individual church members, such as personal giving.
- Meets the requirements for charity trustees, including not being disqualified through bankruptcy or convictions for financial wrongdoing.

Please prayerfully consider whether God may be calling you to serve in this important ministry. You do not need to be a financial expert, and support will be available from Mike, Paul, Simon and others. If you would like a no-obligation chat to find out more about the role, please do get in touch. We would be delighted to answer any questions you may have.

A Time for Sabbath Rest

From **24th August until 24th November**, I will be taking a three-month sabbatical. Sabbaticals are a valued part of ordained ministry, providing an opportunity for rest, renewal, reflection, and spiritual refreshment after years of continuous service.

I know many of you will wonder what happens while I'm away, so let me reassure you that the parish will be in very safe hands. Father John Hall has very kindly agreed to provide cover throughout my sabbatical. Father John is a highly experienced retired priest, and I am extremely grateful for his willingness to support our churches during this time. Our Churchwardens have also been fully briefed, and I know they will continue to serve you with their usual dedication and care along with the teams of dedicated people in each church.

My plans for the sabbatical are deliberately varied. First and foremost, I intend to spend time resting and recuperating, enjoying several holidays and allowing myself the space simply to recharge.

There will also be opportunities for pilgrimage. Spiritually, I shall be visiting the beautiful islands of Mull and Iona, places that have inspired Christian faith for centuries. I also plan a deeply personal pilgrimage to Sorø in Denmark, near Copenhagen, where I hope to visit family graves and the village where my great-grandfather lived, before spending a few days exploring Sweden.

Another part of my journey will be a cultural pilgrimage aboard a cruise visiting Japan, Taiwan, Hong Kong, Vietnam, and Singapore. Experiencing different cultures, histories, and faith traditions is always enriching and offers fresh perspectives on God's wonderfully diverse world.

Finally, I shall be travelling with my niece to Kraków. Together we will pay our respects at Auschwitz, remembering the horrors of the Holocaust and those who suffered there, while also taking time to appreciate Kraków's beautiful architecture, rich history, wonderful food, and vibrant culture.

One small practical note: there will be a dog sitter staying in the Vicarage while I am away. So, if you see someone you don't recognise coming and going, please don't panic, they're meant to be there!

Although this is a time for rest and renewal, please don't hesitate to email me if something significant happens in your life, for example, if you are admitted to hospital, if someone close to you dies, or if there is another major pastoral

concern. Depending on where I am in the world, I may not be able to reply immediately, but I absolutely can, and will, pray for you and whatever you are facing.

As I leave, I do so with great confidence. During the vacancy, you demonstrated just how resilient, faithful, and supportive this church family is. You did a wonderful job then, and this time you'll even have a priest with you every week! I know the benefice will continue to flourish, worship, and serve our community while I am away.

Thank you for your understanding, your support, and your prayers. I look forward to returning in late November refreshed, renewed, and ready for the next chapter of our shared ministry together.

With every blessing, Rev Tracy

Year 6 Leavers' Service

It was a pleasure to welcome the Year 6 pupils from Warton St Paul's School to church for their Leavers' Service as they marked the end of their primary school journey. The church was filled with families, school governors, staff, and members of the congregation, all gathered to celebrate this special milestone and to wave the children off as they prepare for the next chapter of their education. The service was made extra special by the wonderful singing from the pupils, and it was lovely to hear the Year 6 children share some of their favourite memories from their time at the school. Their reflections brought smiles, laughter, and a few emotional moments as everyone looked back on the friendships and experiences they have enjoyed together. As a small token of our love and prayers, the church presented each pupil with a goody bag. The school also gave every child a Bible, a commemorative bear, and a leavers' book to help them remember their time at Warton St Paul's. We wish all our Year 6 leavers every blessing as they move on to secondary school. May they have a wonderful summer, and we pray that they go forward with confidence, knowing that God is with them wherever they go. Good luck to each and every one of them!
