The Parish Magazine

The Parish Magazine is a monthly publication and provides a wealth of information on what is going on within our parish and the wider community. Printed copies are available in both churches by the last Sunday of the preceding month and can be paid for in cash or by card (Sunday only) on an ad hoc basis. If you wish to secure your copy and be ahead of the crowd, you can subscribe to it. A subscription runs from 1 January to 31 December.

The parish subsidises the Magazine as part of its outreach work and, although costs have increased, we are keeping the cover price at £2.00 per copy for 2027.

The basic annual subscription will remain at £24.00 payable upfront. There are three types of subscription available:

Printed Version

1) £24.00 – if you live within ½ mile of either church and it can be hand-delivered to you, or you can collect it from the church
2) £33.00 – if you would like the Magazine to be posted to you (includes postage & packing)

Electronic Version

3) £24.00 – sent to the email address of your choice.
   Please email the Parish Administrator to set up your subscription office@ststephenandstjulian.org

To subscribe for a printed copy, please complete the form overleaf and return it together with confirmation of payment.
