A special two months

Alert – Advent has been hijacked! The former quiet time of reflection before Christmas has been taken over by commercial interests. Fancy a designer Advent Calendar with luxury chocolates or gin each day? There are plenty available. Or you could get a Real Advent Calendar which helps us think of the Christmas themes (and still get your chocolate hit).

November and December are a mixture of darkness and light. November is the remembering month – our loved ones who have died, then those who have died in conflict, we even remember, obliquely, the threat to our country through terrorism in the 17th century. It could all get rather depressing. Then there is happier December. As the winter gets darker we have parties, markets, presents and twinkling light as we grasp for light in the darkness.

It has always been the same. The gospel writers have different accounts of the arrival of Jesus. Mark has a terse one-line intro, John philosophises but Matthew and Luke give us the Christmas stories that we will sing about with gusto. They report a time of religious turmoil, a country deprived of its freedom by an oppressive power, corruption of rulers and terrible cruelty, even the slaughter of children. Sound familiar? Have times really changed? In the middle is a vulnerable baby born in poverty who, they want to tell us, is a light for the world.

Actually, I enjoy Christmas. I even enjoy the tackiness. I enjoy people trying to be happy and spread good cheer. We can escape for a while, knowing the world is dark but see that light the gospel writers want us to share.

As usual, awful things are happening in our world. The attitudes between people seem to be hardening, there is terrible abuse of human beings and the environment. That, however, is not the whole story – the light is still there.

November begins with All Saints' Day by saying humans can be wonderful and it is good for us to think of the goodness of so many people. Who has brought you joy this year? Then we pass through the remembering time, then the noise of Christmas and we come to New Year when, perhaps for just a short time, people hug each other thinking of a better world.

We invite you to join us in church at any of our many services. We will hear stories from 2,000 years ago which are very relevant to us today. The flame keeps burning.

We will hear about the simple young girl, Mary, giving birth as well as giving us an amazingly fierce song of hope. (the Magnificat; Luke 1: 46 – 55). It is a song of revolution against our cynical, unjust world and, remarkably, it is not wishful thinking but a statement of fact. Do come and join us to celebrate that hope. As John says, "The light shines in the darkness and the darkness has never overcome it".

Happy, thinking Advent

. Peter Mann

From the Editors

As we arrive at the final edition of the year, we find ourselves entering a season filled with anticipation, celebration and hope. Advent invites us to pause and prepare our hearts for the coming of Christ, while Christmas brings with it the familiar messages of peace, joy and goodwill.

For many, this is a wonderful time of year. Homes sparkle with decorations, families gather together, and communities come alive with special events and services. There is something truly uplifting about singing carols, sharing festive traditions and celebrating God's greatest gift to the world in the birth of Jesus. Yet we also recognise that Christmas is not a joyful season for everyone. For some, it can be a time when feelings of loneliness, grief, ill health, financial pressure or difficult memories seem more acute. Empty chairs around the table are often felt most keenly at Christmas, and the expectation that everyone should feel happy can sometimes make those who are struggling feel even more isolated.

As a church community, may we remember that the Christmas story begins not with celebration but with God's presence in the midst of an ordinary and often challenging world. Jesus was born into uncertainty and hardship, bringing light into darkness and hope into lives that longed for reassurance. His message remains the same today: no one is forgotten, no one is beyond God's love, and no one walks alone.

Wherever you find yourself this Christmas, whether surrounded by family and friends or facing difficulties of your own, we pray that you will know something of God's peace and comfort. We hope that the services, events and stories within this magazine will encourage you and help you feel connected to the wider benefice community.

On behalf of everyone involved in producing the magazine, thank you for your support throughout the year. We wish all our readers a blessed Advent, a joyful Christmas, and a New Year filled with hope, health and God's abundant blessings.
With every good wish,

Jenny & Alan

During the Season of Creation, Junior Church have been thinking about God's gift of food. It is something we all consume every day – but how much do we think about where it all comes from and the people who produce it?

We started by finding out where our food comes from and discovered that our normal food comes from many different parts of the world. It helped us to realise how dependent we all are on one another.

We then thought about food consumption. Did you know that God provides enough food for everyone in the world? What we found really shocking was that half of the world's population eats 88% of the food and the other half is left with the remaining 12%. This seems very unfair, but what can we do about it?

To help some of the people in our own community who do not have enough to eat, we collected three bulging bags of food and toiletries for Lancaster and District Homeless Action Service as our part of St Oswald's harvest donations.

To help some of the people in other parts of the world who do not have enough to eat, we sold cakes and biscuits we had made to raise money for a charity we had chosen call Action against Hunger.
Last year this charity supported 21.1million people in 52 different countries, providing families in crisis with clean water, food, training and healthcare. They responded to 71 different emergencies and admitted 887,000 malnourished children for emergency treatment.

Thanks to the generosity of those attending the harvest festival, we have been able to send £157.20 to the charity.

We then thought about how the money we pay for food in this country is distributed down the food chain and discovered that the producers receive very little. They often work very long hours, in poor conditions and are frequently exposed to harmful chemicals and fertilisers. This also seems very unfair, but what can we do about it?

One thing we can do is to buy as many fairtrade goods as possible. When you buy them, you know that the producers are being paid a fair wage and are guaranteed a minimum price for the produce. This means that they earn enough to support their families and for their children to go to school.

You also know that the workers have safe working conditions, use sustainable farming practices and that there are no child workers. On top of all these benefits, each time you buy fairtrade a proportion of the money you pay is given to the community that produced the food and they can choose how to use that to improve their lives, for example by building a school, medical clinic or by providing training.

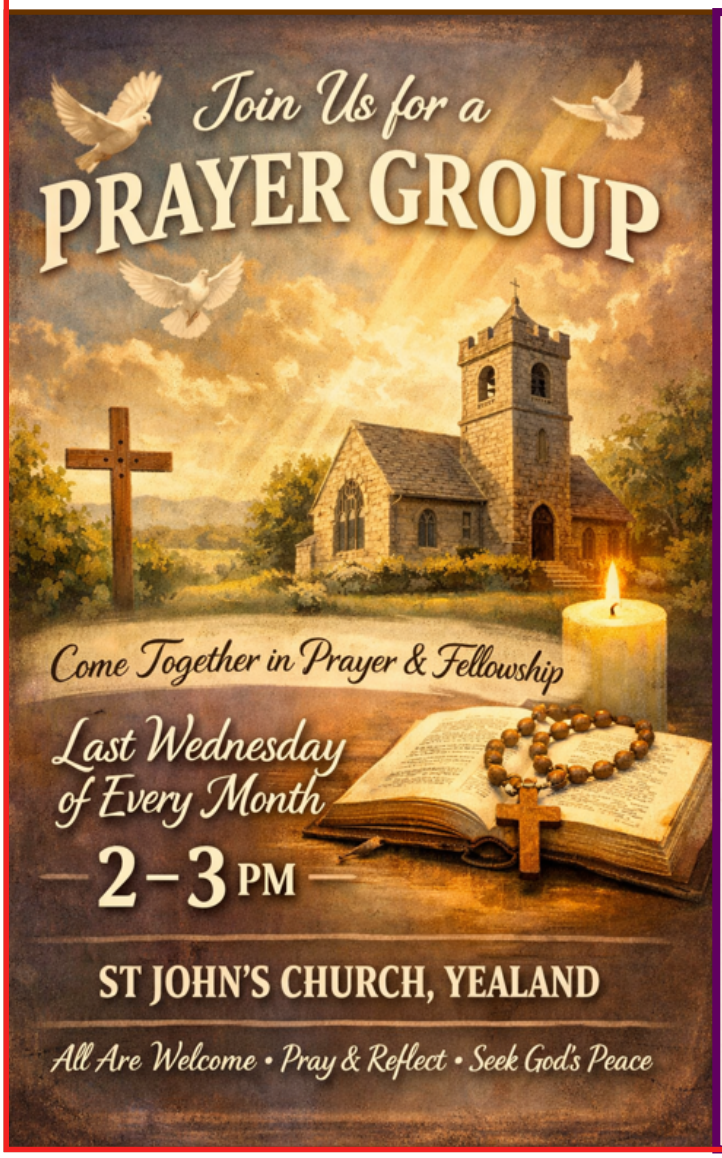

By the time you read this, we will also have been fortunate enough to have a local farmer come to talk to us so that we can find out what his work involves and the problems he faces when trying to produce food in this country.

This Season of Creation topic has really helped us to appreciate God's gift of food, our dependence on one another and our responsibility to take what steps we can do make the distribution of that food fairer and more sustainable.

Junior Church meets on Sundays during term time from 9.30 – 10.30am usually in St Oswald's Church Hall. Children of all ages up to early teens are welcome, with under 3's accompanied by an adult. We explore out faith together through activities, games, crafts, songs, drama and fun and think about how we can live out our faith in the way we lead our lives.

Visiting children are always welcome.

Warton Methodist Church

As November arrives, Autumn's vibrant colours begin to fade, bringing crisp mornings and longer, darker evenings. It is a time to pause and remember.

Following Bonfire Night, we remember all those who have served and sacrificed in times of war. On Remembrance Sunday and Armistice Day, we honour their courage, give thanks for the freedoms we enjoy, and remember everyone whose lives have been affected by conflict. We also pray for peace and for all those experiencing war and suffering today.
Our Remembrance Service at Warton Methodist Church will take place on Sunday 8th November at 10.00am, led by Revd Philip Bell. Everyone is warmly invited to join us.

Looking Ahead to Advent and Christmas
As December approaches, Christians around the world enter the season of Advent — a time of waiting, hope and preparation as we look forward to celebrating Jesus' birth at Christmas.
We begin our Advent journey at Warton Methodist Church with our much-loved Messy Christmas!

Messy Christmas

Sunday 6th December, 4.00–6.00pm

Join us for Christmas crafts, activities and fun for all the family. We will once again be making Christingles, and there will be a collection for The Children's Society. Whether you come regularly or are visiting for the first time, you are very welcome. Come along, get creative and celebrate the Christmas story with us!
Our Sunday morning services continue every week at 10.00am. On Christmas Day, we will hold our traditional 10.00am Christmas morning service, and every-one is warmly invited to join us.

Little Stars also continues every Thursday during term time at 9.00am. New families are always very welcome, so please come along and meet us.

For further information, please contact our Minister, Revd Linda Catlow, at revlindcat@gmail.com or Rosie Marsh on 07710916091

We look forward to welcoming you to Warton Methodist Church this November and December.

Nov/Dec News

We are quickly heading into the most wonderful time of the year at Yealand. As usual, the diary is jam-packed with dates for pantomimes, parties, carol singing and more.

This year we will match the excitement of the season with time to also reflect on the magnitude of the birth of Jesus and how we can share our faith with others.

At the start of the year, the children were shocked to discover that 1 in 4 people feel lonely. As a result of this, they made smile boxes filled with things to brighten up your day. These were delivered to nominated people at Church and in the village but the children have asked to do more. This Christmas season, there will be heart tokens shared far and wide. You can find them at St. John's Church, as well as in the village hall. These hearts are a 'keeping you in mind' token which when placed in a pocket or in your bag, the children hope that when you see it or touch it you will know that you are loved.

We would also like to invite you to one or all of our performances. These are our opportunity to say thank you to our local community for all their help and support throughout the year. All events come with the added bonus of refreshments and time to chat, so please come along.

And just like that, another school year has begun. After a wonderfully warm summer break, everybody was refreshed and ready to learn! Our new Reception children have settled into school life with ease and other year groups are enjoying navigating new classrooms and routines.

We celebrated Harvest by collecting for Morecambe Foodbank again and held our annual MacMillan Coffee Morning raising over £100. We will be fund raising again this term for Children in Need and taking part in St John's Hospice Reindeer Run.

A great thank you goes out to all of the parents and children who came to help clearing up the school grounds recently. We removed some broken play equipment, fixed fences, strimmed weeds, cleared lots of mess and attempted to jet wash the moss off the top playground. School really appreciates that those who came along gave up their own time during the weekend. A great example of Social Impact in action!

Class 3 were given the chance to practice their crown green bowling skills at Warton Bowls Club. This followed on from their training last year and many of them remembered their skills and were on target. They also had a great morning working with Mrs Taylor from the Larksfoot Forest School, learning about and planting wild flowers. This was a great opportunity to learn some scientific facts in a different fun way.

Both Class 3 and 4 visited the Westmorland Show in September. They had a great time seeing all the animals, visiting the various stands and for once, the weather was kind!

Lancashire Fire Service have visited Year 2 and Year 6 to talk about staying safe. They discussed fire safety at home, how to look after yourself and your family and what to do in an emergency. Year 2 even got to dress up and act out an emergency situation.

Our Stay and Play Fridays in the Rainbow Room have been really well attended so far. It is great to see so many new families with babies, toddlers and pre-school children visiting school for fun, play, a brew and a chat. Thanks so much to Mrs Langman, Mrs Taylor and Mrs Ormondroyd for arranging this. If you have a child aged 0 – 4 years, please do come along and join us from 1.30pm every Friday. You will be most welcome.

We are already looking ahead to the next academic year and would like to invite parents of children due to start school in September 2027, to come and meet us and have a look around our school. Please come along on:

Thursday 5th November at 9.30am
Monday 9th November at 1.30pm

In Our Thoughts & Prayers

Loving God

As Christmas approaches, we thank you for the gift of your Son, Jesus Christ, the light who came into the darkness and the hope who came into our world.

We pray for all who celebrate this season with joy. Bless families and friends as they gather together. Fill homes, churches and communities with love, kindness and peace. Help us to share your generosity and welcome others with open hearts.
We especially pray for those who struggle at Christmas. Be close to those who are grieving the loss of someone they love, those who feel lonely, isolated or forgotten, and those who find this season difficult because of worry, illness, hardship or painful memories.

Comfort those who face an empty chair at the table. Strengthen those carrying heavy burdens. Bring hope to those who cannot see a way forward, and remind them that they are precious in your sight and never alone.

May your Church be a place of welcome, understanding and compassion, where all people can find friendship, support and the assurance of your presence.

As we celebrate the birth of Christ, help us to be bearers of his light, reaching out to those in need with kindness, generosity and love.

Lord Jesus remain with us the Christmas and throughout the coming Year

Amen
